The Canadian Skirmisher is to load paper at Ocean Falls in the near future and it is suggested she may bring the boilers here for the Canadian Scottish and dock here at the same time.

The boilers have not yet been released under the bankruptcy proceedings and the local shipyard has no information in regard to the docking, although General Manager Turney said he would like to have the big boats dock here.

1 Pill a Laxative, 2 Pills a Cathartic, 3 Pills a Purgative, This is the Way Milburn's Laxa-Liver Pills Work.

You will never use any of the old griping, nauseating, sickening, purging pills, containing as they do ethanol and other drastic mineral ingredients, once you use Milburn's Laxa-Liver, a pill that is purely vegetable.

Owing to the great care used in producing the highest grade of drugs from which they are manufactured, they are as near perfect as it is possible to get—a laxative remedy.

They work gently and effectively, without a gripe or pain. If you are troubled with constipation, flatulency, driven to distraction with sick headaches, if your tongue is coated, your breath bad, your complexion muddy, your eyes yellow, have floating specks before the eyes, jaundice, itching, bleeding or protruding piles, stir up your sluggish liver with a few doses of Milburn's Laxa-Liver Pills.

Mrs. Roy Mackie, Ottawa, Ont., writes:— "I desire to express my thanks for the relief I have had by using Milburn's Laxa-Liver Pills. I had been suffering for some time from constipation and had headaches. I tried all sorts of cures, which did me no good, until I was advised to try your pills. I got great relief after taking only a few doses."
 Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. ADVT.

DEALS WITH IMMIGRATION

Employment of Aliens Also Being Taken Up by Secretary Bengough.

Percy H. Bengough, secretary of the Vancouver Trades and Labor Council, who is in the city in connection with the difficulty between the machinists and the shipyard which is now settled, is taking up with local organizations the question of Oriental immigration.

The Vancouver Trades and Labor Council sent out circulars to fraternal organizations in Vancouver and vicinity dealing with the unemployment question and the encouragement of aliens. While here he is taking up the matter with the G. W. V. A. and the Deep Sea Fishermen's Union with a view to getting action.

Mr. Bengough says that last year no less than 1,100 Orientals came to this country as immigrants without even paying the head tax and he thinks the time to stop further immigration of the same class is in its incipient stage.

COMING NORTH FROM OREGON

French Canadian Families will Take up Land in Interior while Fathers Fish

An addition to the passenger traffic to the north this year from the Northwestern States is that of repatriated French Canadians who are leaving Oregon owing to the new fishing laws which give the right to fish there exclusively to those holding their American papers.

There was a representative of these people on the Prince George which arrived this morning. He represents eight large French Canadian families who are intending to take up land in the Burns Lake district. The heads of the families will fish out of Prince Rupert while the other members prepare the homesteads.
