HOW HOLD UP WAS EFFECTED

Huntley Tate and Bruce Bradford Told Story of Valorous Affair This Morning.

Evidence of Albert Brooks, the owner of the boat Valorous, Huntley Tate, taxi man, and Bruce Bradford, his assistant, was heard in the E. Michelson kidnaping case this morning and adjournment was made until Monday.

Brooks, in giving his evidence, stated that, although he was the owner of the boat Valorous, he had not known of her alleged trip to Prince Rupert in November. Michelson and Charles Melby had since lived on the boat and had been employed by him on a trip to Hyder. They had brought the boat to Prince Rupert recently with the intention of packing fresh fish from Cape Ommaney for the Canadian Fish and Cold Storage Co.

Tate's Evidence.

Tate recounted the incident of the delivering of the liquor to the garbage scow on November 25. Miller, Bradford and himself had been invited aboard to go to the G. T. P. wharf after delivery had been made. The witness and Bradford had been told to go into the pilot house and Miller had gone down to the engine room. They had not proceeded very far when a cry for help was heard from Miller. They rushed to his assistance but were met by a man with some weapon who ordered them to hold their hands out of the window. This they promptly did until they were let off in the skiff on Digby Island. Tate did not identify the men in the boat with the exception of Swanson, neither was he able to describe the boat.

Corroborative Evidence.

Bradford gave evidence corroborative of Tate's, stating that they had held their hands out the window for twenty minutes.

PILES
 Are Generally Caused By CONSTIPATION.

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery.

Ninety per cent. are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition.

Piles are classed under three headings, i.e. internal, external and prolapsing, and the excruciating pains which accompany them cause misery which is beyond description.

Enemas and suppositories may help and relieve for a while, but to get rid of them, it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of bile to act properly on the liver and bowels, thus removing the constipation and all its allied troubles.

They contain no cathartic or drastic mineral ingredients, being purely vegetable. They are small and easy to take, and do not grip, weaken or sicken.

Milburn's Laxa-Liver Pills are 25c. a vial at all druggists or dealers, or mailed direct a receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

COST OF WHITE SALMON

Editor, Daily News:

The cost of living is assuredly high in Prince Rupert and we fishermen could do a lot to remedy it—if you only allow us.

It is a shame to see the amount of white spring salmon which is dumped overboard here on the trolling grounds—good, wholesome food wasted because the fisherman is expected to catch his fish, clean and dress it, deliver it to the packer, and all for nothing.

Let me explain. A packer is employed by the fishermen to market their catch in Prince Rupert. He has to provide a boat, ice, etc., and makes the very reasonable charge of two cents a pound for his trouble. White spring salmon only fetches two cents a pound in Prince Rupert market, which exactly pays the packer, consequently before a man goes to the trouble of cleaning a whole fish, he consigns it back to the place where it came from.

Now, Mr. Editor, could not something be done to remedy this state of affairs. I wonder what the Prince Rupert citizen pays for his white salmon. It would interest us fishermen to know who is getting the rake-off on our labor.
