INTERESTING LECTURE ON ALLENBY'S CAMPAIGN

Professor Brock of the University
of B. C. Entertains and In-
structs Many at Empress
Theatre.

The Empress Theatre last
night was packed to the doors to
hear the lecture by Dean R. W.
Brock of the University of British
Columbia on "General Allenby's
Last Crusade." It was il-
lustrated by a number of lantern
slides, some of them colored,
which gave interesting insights
into the appearance of the coun-
try and the life of the people in
Palestine. In fact the geograph-
ical and archeological features of
the lecture provided its chief in-
terest.

After outlining the historical
facts leading up to Allenby's tak-
ing command of the allied forces
in Palestine and describing the
heterogeneous admixture of races
and creeds in the allied army,
Dean Brock traced the various
steps of the campaign, telling
about the country and its in-
habitants en route.

J. C. Brady presided and intro-
duced the speaker. The affair
was under the auspices of the
E.P.S. in collaboration with the
High School.

Mr. and Mrs. R. H. Chandler
arrived from Terrace last night
and are registered at the Hotel
Prince Rupert. Mr. Chandler is
the publisher of the Terrace
News.

FRANK BAKER AND HIS TWO DAUGHTERS.

J. Franklin Baker, the former home run king, and his
daughters, Otilie, on the left, and Janice. Baker since the
death of his wife took to farming and quit the game. This
year, however, after he received several tempting offers, he
decided to go back in the fray and try to forget. He is at
present in training in the South, and with him are his two
daughters.

Sport Chat

Harvey Fraser announces that
he has a team ready and waiting
for action if an Intermediate
Baseball League is established in
the city this season. The league
is being mooted by the Baseball
Association and on Wednesday
evening an organization meeting
was called, but there was such a
small gathering that nothing was
done. Many of the late-mediate
League players of last year have
been absorbed into the City
League this season, but there
seems no reason why some of the
younger lads coming up could not
be organized to have the league
again going.

In the very near future the
Baseball and Football Associa-
tions are planning to get together
to arrange for the use of the
grounds for their series this
season. With two football leagues
going already and one baseball
league the prediction that the
grounds will be kept busy all
summer bids fair to come true.
Here's hoping that there is good
weather the most of the summer
for if many games have to be
postponed there will come bad
jams as the season advances.

The following is the lineup in
the various leagues as far as
known at the present—City
Baseball League: Red Sox, Elks
and Sons of Canada; Senior Foot-
ball League: Sons of England,
Sons of Canada, Callies and Great
War Veterans; Junior Football
League: Wallace Juniors, Prince
Rupert Athletics and Merchants
Juniors. From present indica-
tions there will be no school
teams, but the players that would
appear in such teams will line up
with the other aggregations.

Conviction followed the first
arrest of the season at San Fran-
cisco recently for gambling on a
baseball game, when Charles
Logan was sentenced to thirty
days in jail for making a bet at
the baseball park. The sentence
was suspended when it was shown
that Logan was not a gambler and
had made only one bet. The
court stated that in cases of
"flagrant gambling" straight jail
sentences would be imposed in
future. Counsel for the Pacific
Coast League state that they want
to prosecute vigorously and fur-
ther arrests for betting at the
baseball parks.

Following the smoker on Tues-
day night the Great War Veterans
Band members were the guests of
George Richmond, manager of the
St. Regis Cafe, at supper at his
establishment.

TOLEDO WILL NOT STAND FOR PASSES TO BOXING BOUTS

TOLEDO, Ohio, April 30.—The
Toledo Boxing Commission through
its secretary has served
notice on promoters that the
complimentary ticket evil would
have to be eliminated "before
another permit is issued." More
than 500 free tickets were issued
for the Joe Burman-Roy Moore
bout, the commission said. The
commission loses a large sum
through the distribution of
passes, as it receives seven per-
cent of gross receipts for charity
purposes.

"THE COPPERHEAD" IS A BIG PHOTOPLAY

Lionel Barrymore is Shown To-
night in Striking Drama
at Westholme.

Lionel Barrymore in a striking
screen version of "The Copper-
head," the play in which he
scored his great success on the
stage, will be the attraction at
the Westholme Theatre tonight.
The picture is said to have been
made on an unusually large scale
and to follow closely Augustus
Thomas' original story.

The locale is Millville, Illinois,
the action takes place during
three periods—that of the Mexi-
can War, just before the Civil
War, in 1862, and in 1904. Mr.
Barrymore appears as the hero,
Milt Shanks, who in his accom-
plishment of a most dangerous
and important mission for Pres-
ident Lincoln is obliged to pose
as a traitor to his country, is
disowned by his own friends and
family, and is vindicated only
upon his death bed. The story
is one of intense dramatic ap-
peal. A whole village was con-
structed by the Famous Players-
Lasky Corporation as the back-
ground for the film, and no effort
was spared to make "The Cop-
perhead" a really big photoplay.
