**SOMEONE WILL CATCH A BIG GREASED PIG WESTHOLME TONIGHT**

Fun, fast and furious, will reign when someone who holds the lucky number attempts to catch the big greased pig that will be given away tonight after the regular performance is over at the Westholme Theatre. If you've ever attempted to catch a pig that wasn't greased, you will appreciate the fun you are up against when you tackle one that is profusely smeared with axle grease, lard and vaseline mixed. Ladies are not barred in the pig catching contest. If a gentleman holds the lucky number he will be provided with a suit of overalls to keep the grease off his clothes and if a lady wins the pig she will be given a nice new harem skirt to catch the pig in. Everyone in town will try to push their way in tonight to see the fun, so if you are going, better see to it that you get there in plenty of time to get a good seat.

**BOILS SO BAD HAD TO GIVE UP WORK**

From the days of Job up to the present time, boils have been one of the afflictions of the human race.

At the point of boiling and stinging you may do well not prevent them from breaking out again.

Boils are simply caused by the bad blood bursting out; and the bad blood must be made pure before the boils will disappear.

Burdock Blood Bitters, which has been on the market for over forty years, is well known as the greatest blood medicine procurable.

It purifies the blood by removing every particle of foul matter from the system, and when this is done the boils vanish, and you should never be troubled again.

Mr. James Fahy, Newport Island, Que., writes: "I was troubled with boils on my back and neck, so bad that I was obliged to give up work. I tried several remedies, but got no relief. Finally I went to a doctor, and he treated me for several weeks, and all without benefit. At last a friend told me of Burdock Blood Bitters, so I decided to give it a trial. I got three bottles, but before I had taken two the boils were all gone. It is eight months now, and I have had no return of the old trouble, and have never felt so well."

**SAND TO BE TAKEN OVER TO SALT LAKES**

There was a meeting of the Swimming Club held last evening to discuss ways and means of procuring sand for the children's bathing beach at the Salt Lakes. It is felt that immediate action must be taken to do this or it will be too late for this season and will have to be put off until the fall. Arrangements are to be made if possible to get a scow load of sand taken over on the high tide on Saturday afternoon or Sunday morning and it is hoped, volunteers will be on hand on Sunday morning to help to unload it.

**DERBY CLASSIC RUN TOMORROW**

Many Untested Horses, but Craig an Eran is Favorite at 4 to 1

LONDON, May 31.—Who will win the Derby tomorrow? That is the great question that is being asked everywhere today.

Due to the curtailment of train services, on account of the coal strike, every kind of wheeled conveyance is being commandeered. Some people are going by airplane and some even by foot. Ten thousand will travel from here to the famous Epsom Downs tomorrow.

The great classic for three year olds has a very open appearance and there is no outstanding favorite. The cancellation of racing over a period of several weeks in April and May threw the racing machine out of gear and a number of horses will go to the post quite untested, so far as their public records are concerned. Lord Astor's Craig an Eran still holds first place and the betting price on this horse is four to one. It is expected that twenty horses will start.

**INCINERATOR PLANS ARE BEFORE COUNCIL**

Ald. McNeill, of the board of works, last night submitted a set of plans for a city incinerator to the council in committee. The plans provide for a modern and sanitary structure which would cost \$17,000. They were prepared by the Canadian Incinerator and Furnace Co. The matter was freely discussed by the aldermen but no action was taken.

**PRINCE GEORGE**

The contract has been awarded by the Provincial government for the first forty miles of new highway from this city to Quesnel. The first twenty will be built by Bowles & Pickard, of this city, and the second twenty by Braun & Kane, of South Fort George. The completion of these contracts will carry the road to Nixon Creek.

The case of Allan Haynes on the charge of misappropriation of funds belonging to the Prince George Mercantile Co. will be heard, by Judge Robertson and a jury in the county court on Thursday next. W. P. Ogilvie is appearing for the crown.

The census of Prince George will be taken by Charles Conran and Edward Greenwood.

At the Manse on Monday, May 23, Charles Floyd Chapin, of Edmonton, and Miss Alice Trent Bulmer, of this city, daughter of Mrs. Armstrong, were married.

Four German machine guns have been received by the city from the war trophies department, Ottawa. They will be given a position on the city hall grounds.

Arthur Bellos paid \$75 and cost of the city police court lately for auto speeding. Arthur's recently acquired Baby Grand is proving an expensive infant to maintain.
