**BERT KERGIN GOES SOUTH TO BOOST FOR NORTHERN B.C.**

H. F. Kergin, M.P.P., representing the important constituency of Albin, will be among the passengers sailing south tonight on the Prince George. He goes imbued with the idea that the south does not know and understand the north and he will enlighten them. He has lived for many years in the Albin District and has great faith in it.

When seen yesterday Mr. Kergin said so many people did not seem to realize the importance of the mining districts to the north. Anyox was the greatest copper camp in the province and Alice Arm the greatest silver camp, with Stewart strong in gold and silver. When a camp had real shipping mines such as those in the camps mentioned it meant a great deal. It was an inducement to prospectors to look further for other rich mines and it was an inducement for capitalists to come in and develop the prospects.

Mr. Kergin looks for great developments in the northern country, a steady development without any booming.

F. Reichenbach, of Frizzell's meat markets at Stewart and Hyler, returned yesterday from a trip south.

**SPANISH HIRED GIRLS WANT HIGHER WAGES**  
Now Getting About \$4 a Month, but Would Like from \$5 to \$10

MADRID, Jan. 29.—Canadians accustomed to paying their ordinary "hired girls" \$50 or more a month for general housework will be interested to learn that Spanish domestics are forming a labor organization to enforce a demand for an increase that will bring their wages up to the equivalent of \$5 or even \$10 a month.

Cooks, parlormaid, kitchen-maids, wet nurses and general help have united in a movement not only for higher wages but for an eight-hour day. This would look ridiculous in America, but it is serious business for the Spaniards. They are accustomed to paying their hired girls the equivalent normally of about \$4 a month and requiring them to be on duty from early in the morning to late at night, or even until one o'clock the following morning.

The servant girls of Spain are usually allowed a half day off each month.

The eight-hour day hits the householder hard. One newspaper satirically asks: "How will baby get on if the wet nurse declines to perform her duties for more than eight hours a day?"

**PREVENT FORGERY.**  
WASHINGTON, Feb. 3.—To prevent forgery of liquor prescriptions, prohibition enforcement officials have issued physicians with new forms on special water-marked paper. The watermark reads: "Internal Revenue—Prohibition."
