ANNUAL REPORT OF CITY UTILITIES

Light and Telephone Departments Showed Earnings of \$35,062.19

The annual report of the Utilities Superintendent for 1920 was read at last night's council meeting and meeting with the approval of the board a vote of thanks was tendered by the council to Superintendent of Utilities T.C. Duncan.

The net earnings of the entire department for the year was \$380,62.19 and there were increases in the service rendered by both the electric light and telephone departments.

Slow Telephones The telephone service has been continuous and the slowness at times has been on account of the overloaded panel.

Speaking to the report Ald. Perry, chairman of the Utilities Committee, stated that more development and extension would have been desirable.

HER CASE SEEMED HOPELESS

But "Fruit-a-tives" Brought Health and Strength

29 St. Rose St., MONTREAL.

"I am writing you to tell you that I owe my life to 'Fruit-a-tives'." This medicine relieved me when I had given up hope of ever being well.

I was a terrible sufferer from Dyspepsia—had suffered for years; and nothing I took did me any good.

I read about "Fruit-a-tives" and tried them. After taking a few boxes, of this wonderful medicine made from fruit juices, I am now entirely well!

Madame ROSINA FOISIZ, 50c a box, 6 for \$2.50, trial size 25c. At all dealers or send postpaid by Fruit-a-tives Limited, Ottawa.

WHERE MONEY WAS EXPENDED

Alderman C. C. Perry Gives Some Interesting Figures Regarding Increased Taxation.

C. C. Perry has handed in for publication the following statement:

Mr. G. Nickerson, one of the mayoralty candidates, has expressed wonder as to what use the money raised by taxation on increased millage in 1920 was put.

The mill rate in 1919 was 13.750. The mill rate in 1920 was 25.168. The increase is accounted for as follows:

Reduction in assessment approximately \$2,250,000—equals 5.100 mills. Exchange, \$18,000, equals 2 mills. Amount over expended in 1919 equals 2 mills.

Special rates equal 2.150 mills. The special rates referred to are as follows:

New School 30-year bylaw (interest and redemption, annual \$10,897.33)
Morse Creek Bridge 15-year bylaw (int. & red. annual) 1,235.52

In addition to the foregoing, the following extra money had to be raised:

Exchange (for 1920) \$18,000
Exchange (for 1919) 2,000
Grant to Board of Trade 900
Engineering Department 3,955

As a member of the City Council, it would have pleased me better to have seen Mr. Nickerson investigate the civic expenditure before offering any criticism of the administration.

CHAS. C. PERRY, Alderman.

A Laundry Service Within Every Woman's Means

It is here for you in this Family Service we offer. What is most disagreeable on washday? Isn't it the mussiness of wash water; the steam of boilers and tubs, the lifting and hauling?

Next we daintily iron the flat pieces; the things like bath towels we dry softly and fluffily—they need no ironing; and other pieces that require it we starch and make ready for you to iron in your own home.

In a word, we do all the toilsome, mussy work of washday, and leave for you only the milder, pleasanter task of ironing the lighter pieces.

This is a truly economical service within the means of every woman—we're sure you'll like it immensely.

Telephone, we'll welcome an opportunity to tell you more about it.
