DELAY PASSING
POWER BYLAW

E. F. Doby Asks That It Be Set
Over Until Return of City
Solicitor.

The bylaw which has been drawn up regarding the supply of water to the Prince Rupert Pulp and Paper Co. was introduced and given its first reading at the meeting of the city council last night. The by-law was gone through clause by clause and its passage was set over for a later date.

In regard to the power contract which was set out by the council last week and was left in the hands of the superintendent of utilities and the city solicitor, City Clerk Woods announced that E. F. Doby, manager of the company, had said that in its present form it would be unsatisfactory and would not be accepted by the company. Mr. Doby had suggested that the council not waste its time on the matter now but hold it over until the return of City Solicitor Hooper when it might be amicably settled. The objection raised by Mr. Doby and the company was of a technical nature. Ald. Perry, chairman of the Utilities Committee, explained that in drafting the contract Mr. Duncan had followed the resolutions of the council, making only such additions as to provide safeguards for the city.

Orange Delegation.
In regard to the concessions to the Prince Rupert Pulp and Paper Co., there was a delegation from the Loyal Orange Lodge consisting of Frank Haugh, W. F. Cameron, Henry Smith and J. G. Johnstone, Mr. Johnstone, the spokesman, asked on behalf of his lodge that a clause be inserted in the agreement providing for the employment of white men in the mill instead of Orientals.

It was pointed out that the officials of the company had stated that 80 percent of the payroll would be for white labor in the mill. The majority of the council were averse to the principle of inserting such a clause. The government allowed the employment of Oriental labor and it would be stepping on dangerous ground for the council to enact such legislation. It was suggested, however, that the company might strengthen its position by definitely outlining its plans in regard to labor.

Thomas McClymont Turns Over
Deals for Exchange Block
and Prince Rupert Hotel
Corners.

There has been an increased activity in the local realty market during the past few weeks and the transfers of several important business properties have been transacted.

Thomas McClymont has closed a deal for the property known as the Exchange Block at the corner of Third Avenue and Sixth Street. The vendor was E. C. Mitchell of Oklahoma, and the purchaser was a local resident.

Another important transfer consummated through the same dealer was the double corner at Second Avenue and Sixth Street, better known as the Prince Rupert Hotel site. This was sold by the Scott estate, the purchaser being a non-resident. This property is subject to a 99-year lease, ten years having already expired.

Both the deals have involved revenue producing properties.
