CARPENTIER TO BOX IN LONDON AND PARIS YET

Has Three More Bouts Before Retirement, Says Manager Deschamps.

BOULOGNE, Aug. 16.—Francois Deschamps, manager for Georges Carpentier, when announcing that his principal was to retire from the ring, stated that Carpentier would fight a boxer as yet undefined in London sometime in October or November. He will then meet a heavyweight in Paris previous to meeting Tommy Gibbons at Jersey City for the light heavyweight championship of the world which contest will be his last ring battle.

Sport Chat

What baseball team is going to visit Prince Rupert during Fair week? That is a question that is now interesting local fans. Prince George is very anxious to come here and several wires have been received during the past week from that town seeking to make arrangements to that end. Nobody seems to be taking much action on this, however, and interest is lacking, due no doubt, to the fact that the locals think that the boys from the interior will not be able to put up much of a game on account of having been defeated by Lucerne, which team fell so easily in the recent series to Prince Rupert.

* * *

Anyox seems to be the logical team to come here at Fair time. Prince Rupert teams have visited there twice already this season and on both occasions were defeated. It is very likely that they could put up a good series with Prince Rupert if they came here for the team seems to be about the best of any of the outsiders in the North this season. On neither of the occasions that they played with the locals already this year can it be said that they met anything approaching the city's best team. No team from this city can be described as select if Shakespeare and Clementson are not on it and they have been faced with neither of these.

* * *

One of the main difficulties that has to be taken into consideration with the bringing of an outside team here now is that the season is well advanced and the evenings are becoming shorter. It is hardly possible to stage a game for any longer than seven innings and while this may be all right with the City League fixtures it would hardly be the thing to do with a visiting team. It is also difficult to field a local team on either of the half-holiday afternoons, Saturday or Wednesday, but this may be overcome during Fair week. In the meantime, it is high time that action is being taken somewhere if we are to have any more visitors here this year.

SONS OF CANADA AND ELKS PLAY BASEBALL DRAW

End of Seventh Inning When Game Called Each Team Had Three Runs.

With the score standing 3 to 3 at the end of the seventh inning when it was too dark to continue the Sons of Canada and Elks concluded last night one of the most interesting baseball games of the City League series. The teams were very evenly matched and, up to the seventh inning there was little to choose between them. Had the game gone on further it is hard to say what the result might have been but it seemed that at this stage the Sons' battery was beginning to gain in strength while the Elks' was falling off.

The Elks did the first scoring making two runs in the fourth inning and one in the fifth. The Sons of Canada came through with two in the sixth and one in the seventh thus tying the game up at the crucial moment. Shakespeare was in the box for the Sons of Canada and he struck out eleven men while Clementson, for the Elks, struck out nine, walked five and hit two batters with pitched balls. There were no big hits, all the batters being held down to singles, the Elks making four hits and the Sons, five. The former team made four errors and the latter but one.

The box score was as follows:

Elks—	R.	H.	E.
Hardy, cf	0	0	0
Easson, ss.	0	0	1
Menzies, 3b	1	1	1
Clementson, p	1	1	1
