BRINGING UP FATHER

SECTION FIVE STREET GRADING

City Council Adopts Plan Providing 16 foot Grading Eliminating Cinder Walks.

CONTRACT PROPOSED

Alderman McNeill Speaks of Bad Delays on Second Avenue.

The question of street grading in Section 5 was again discussed at length in committee by the city council last night. An amended report from the city engineer providing for grading to a width of 16 feet except on McBride Street, between Fifth and Sixth Avenues, where it would be 20 feet, was received. This report also eliminated the making of cinder sidewalks except on McBride Street, where it would be on one side. After considerable discussion it was decided to adopt this plan, which will effect a great saving in cost, with a view to having a final report from the city engineer on the basis of five year payment. McBride Street to Seventh Avenue instead of Sixth Avenue was also included.

Cost Not High.

Ald. Dybhavn explained that he instructed the city engineer to report on five, ten and fifteen year basis on the original plan. Under this plan the cost would be \$2.87, \$1.67 1/2 and \$1.29 respectively per front foot. If the new plan for grading to a width of 16 feet only were adopted the total cost of \$91,900 would probably be cut in two and then the five year basis could be adopted. The mayor and members of the council had gone over the ground and had come to the conclusion that the original plan was altogether too elaborate.

Ald. McNeill did not think that the 16 foot plan would cut the cost in two. It might cut a third of the cost, however. The mayor stated that he thought this plan would, perhaps, cut the cost in less than half.

Contract Work.

The suggestion that the work be done by contract was made by Ald. Dybhavn. Ald. McNeill disagreed with the practice of giving the entire contract to one contractor. It should either be done by the city itself or let as station work. The experience that the city was having at present in the down town section in laying of street rock was bearing out the fact that the letting of the entire contract to one contractor was not satisfactory. Great delays were now being encountered on account of the contractor. Six blocks were tied up on Second Avenue awaiting the bringing of rock. In his opinion Second Avenue should be finished by now and a start should have been made on Third Avenue. Instead of that only one block had been completed.

Kerr Approves.

Ald. Kerr felt that the modified scheme for Section 5 was a good one. It would be the start of a permanent scheme and the money would not be wasted. Although cinder paths were now being eliminated they might possibly be built next year. The scheme was such that it could be added to at any time and the 16

feet in the middle of the streets would be the basis.

Finally Ald. Perry moved that the new scheme be adopted, that estimates be submitted on the five year basis as local improvement and that the portion of McBride Street between Sixth and Seventh Avenue be included. Figures are also to be submitted on the ten year basis. This was seconded by Ald. McNeill and was passed.

MAYOR REPORTS ON CONVENTION

Attended Municipalities and Good Roads Meetings—Peace Arch and Victoria Government.

The report from Mayor Rochester on his recent trip south when he attended the convention of the Union of B. C. Municipalities at Alberni was presented to the city council last night and was accepted.

The mayor reported that he had also attended the convention and had been elected fourth vice-president. The league had asked that the city of Prince Rupert become enrolled as a member and with that end in view had invited him to be present at the sittings and had elected him to office.

Many important matters had been taken up at the convention of municipalities. As far as Prince Rupert was concerned the most important matter had been the discussion of further taxation and assistance to the municipalities by the Provincial Government. Premier Oliver had been present and had stated that the municipalities could not expect further assistance from the Government because all the money now received was necessary for financing. The matter was left with the executive to present to the Legislature at the forthcoming session.

Two Year Term.

The two-year term for aldermen had been unanimously approved by the convention. It was considered that it would tend for greater efficiency. This matter had also been left to the committees to press at the session of the legislature.

The mayor urged the desirability of the city sending more delegates to the convention. These should include some of the city's permanent officials. He had seen several city clerks, engineers, etc., at Alberni.

Mayor Rochester also told of his visit to Blaine for the opening of the Peace Arch. The ceremonies had taken three hours and 15,000 people were in attendance. He had also visited the government buildings in Victoria on city business and had been accorded a good reception.

Cost Small.

The total expense to the city for the trip was \$86.60, which merely included steamboat and railway fares. This was ordered paid.

In moving that the report be accepted, Alderman McNeill declared that the city had been ably represented at the municipalities convention and that the expense had been small. "The mayor must have paid most of the bills himself," he stated.

The bylaw exempting from tax sale property the title of which was in the crown was finally adopted by the city council last evening. The \$3,500 Westview School bylaw, the \$75,000 sewer extension bylaw and the agreement between the city and the Prince Rupert Pulp and Paper Company for the supply of water were also finally adopted.

CANCELLATION OF RESERVE.

Notice is hereby given that the reserve against the acquisition of Coal under the "Coal and Petroleum Act" established by notice dated 11th of February, 1930, and published in the British Columbia Gazette on 12th of February, 1930, is cancelled, except in so far as the same relates to the following areas:

All that lands lying within the boundaries of the drainage areas of the Skeena River above and including outcrop, the East Fork of the Nass River, the Little Skeena River, and the Skeena River, above and including Skeena and Indian Creeks.

All that portion of Vancouver Island lying easterly of the following described boundaries: Commencing at a point on the West Coast of the Island at the mouth of Muir Creek, thence following the western boundary of the Esquimalt and Nanaimo Railway Belt to the southeasterly corner of the Strathcona Park Reserve, thence west following the south boundary of the said reserve to its southeast corner, thence north following the west boundary of the said reserve to its northwest corner, thence west along the south boundary of Sayward and Rupert Rivers to the westerly boundary of the watershed of Nimpkish River, thence westerly along the westerly boundary of the watershed of said Nimpkish River, Nimpkish Lake and Kough River to the south boundary of Township 3, Rupert District, thence west along the south boundary of said Township 3, 4 and 12 to Marble Bay, thence northwesterly along the centre line of Marble Bay and the West Arm of the Skeena River to the mouth of Spruce Creek, thence along Spruce Creek to the east boundary of Township 37, Rupert District, thence north along the east boundary of said Township 37 to the northeast corner thereof, thence west along the north boundary of Township 37, 41 and 44 to the Pacific Coast and including all the foreshore and lands covered by water adjacent to the East Coast of Vancouver Island, together with all islands lying between the Mainland of the Province south of the 51st parallel of north latitude and Vancouver Island and all the lands within the boundaries of the Districts of Omineca, Goldstream, Metlakine, Esquimalt, Victoria, Lake and North and South Saanich, Sooke and Strathcona.

The cancellation of this reserve shall not take effect and staking for coal shall not be lawful until notice of such cancellation is published for sixty (60) days in the British Columbia Gazette and in a newspaper published or circulating in each of the Pacific Registration Districts of the Province of B. C.

This notice shall in no wise affect the reserve against the acquisition of Coal, Petroleum and Natural Gas in the Peace River District, established by notice in the British Columbia Gazette on the 27th of March, 1919, which reserve is still in force and effect.

G. B. NADEN,
Deputy Minister of Lands,
Department of Lands,
Victoria, B. C.,
July 20th, 1931.

LAND ACT.
