Change of Water WAS THE CAUSE OF DIARRHOEA

People moving from place to place
are very much subject to diarrhoea on
account of the change of water, climate,
diet, etc. Prompt treatment with

DR. FOWLER'S

EXTRACT OF
WILD STRAWBERRY

In such cases relieves the pain, checks
the diarrhoea, and thus does away with
the suffering, the weakness and often-
times collapse associated with an attack
of this kind. It does this by checking
the too frequent and irritating stools,
settling the stomach and bringing up
the weakened system, thus rendering it with-
out a peer for the treatment of all bowel
complaints of both old and young.

Mrs. Ernest S. Beaton, Grayburn,
Sask., writes:—Coming out here from
the East, my two little girls took very
sick, the change of water, etc., giving
them diarrhoea. They were so pale, and
used to vomit everything they would
take, so I finally got a bottle of Dr.
Fowler's Extract of Wild Strawberry,
and I must say it certainly helped them.
I have also used it when my children
were teething and it is all you claim for
it.

76 years reputation stands behind this
remedy. Price, 50c, a bottle. Put up
only by The T. Millburn Co., Limited,
Toronto, Ont.

BENEFIT DANCE LAST NIGHT WAS PLEASANT AFFAIR: MANY THERE

There were about 100 couples at
the dance given last night by the
Women's Auxiliary of the One
Big Union and a substantial sum
was realized. The affair proved a
very pleasant one and music
was provided by Arthur's nine-
piece orchestra. There were a
number of raffles which fur-
ther swelled the proceeds. Fred
Shaw was on the door, Mrs. S.
V. Cox was in general charge and
committee consisted of Mrs. S.
A. Swanson (convener), assisted
by Mesdames Montgomery,
Strand, Peterson and Crossley.

REHABILITATE THE FISHERIES

State of Washington to Co-op-
erate with British Columbia
in Restoring Fraser.

VICTORIA, July 26.—The
Fraser River salmon is now to
have a chance, according to an
announcement from the Hon.
William Sloan, Commissioner of
Fisheries.

Rehabilitation of the annual
run, which has been disastrously
depleted through over-fishing
during the last few years, is
predicted by the Department of
Fisheries here as a result of the
gentlemen's unwritten agree-
ment between the State of
Washington and the British Co-
lumbia Government.

As a result of this agreement
all waters of Puget Sound are
closed to commercial salmon
fishing between August 26 and
September 15 inclusive, which
would normally cover the greater
part of the pink run. These
waters are also closed from Oc-
tober 26 to April 30 with the ob-
ject of protecting silversides,
chums and steelheads.

This will practically eliminate
for the present season the pack-
ing of pink salmon on Puget
Sound and will probably also
prevent the packing of all Fall
fish in any quantity, as it will
not pay to open the canneries for
these grades after closing
down, it was explained here to-
day.

The purpose of the order is
to permit the greater part of
the pink run to escape to the
spawning grounds. It is ex-
pected to materially increase the
run of this species in the next
cycle.

Longer Closed House.

By the order which went into
effect on Wednesday salmon
fishing in the Northern and
Western part of the Puget Sound
district, except with gill nets, is
prohibited between 4 p.m. Thurs-
day and 4 a.m. Saturday of each
week during July and August.
The same area is closed to gill
net fishing between 6 a.m. Fri-
day and 6 p.m. Saturday of each
week during July and August.

The former weekly closed sea-
son was from 6 a.m. Saturday to
6 p.m. Sunday for gill nets and
from 4 p.m. Friday to 4 a.m.
Sunday for other gear, simulta-
neous with that in British Co-
lumbia.

THORSCH PROPERTY IS TO BE OFFERED BY PUBLIC TENDER

The custodian of alien enemy
property is asking tenders for
the sale of 235 business and
residential lots in this city
formerly belonging to Alfons
Thorsch, an Austrian. Much of
this property is well located and
should command a ready sale.

CANCELLATION OF RESERVE.

Notice is hereby given that the reserve
against the acquisition of Coal under the
"Coal and Petroleum Act" established by
order dated 11th of February, 1920, and
published in the British Columbia Gazette
on the 12th of February, 1920, is can-
celled, except in so far as the same relates
to the following areas:

1. All the lands lying within the
boundaries of the drainage areas of the
Skeena River above and including out-
let Creek, the East Fork of the Naas River,
the Little Klappan River, and the Skeena
River, above and including Klappan and
Indian Creeks.

2. All that portion of Vancouver Island
vested in the following described boundaries:

Commencing at a point on the West Coast
of the Island at the mouth of Muir Creek,
thence following the western boundary of
the Esquimalt and Nanaimo Railway Belt to
the southeasterly corner of the Strathcona
Park Reserve, thence west following the
south boundary of the said reserve to its
southwest corner; thence north following
the boundary of the said reserve to its
northwest corner; thence west along the
south boundary of Sayward and Rupert
Districts to the westerly boundary of the
watershed of Skeena River, thence north-
westerly along the westerly boundary of
the watershed of said Skeena River, Nim-
nukish Lake and Krog River to the
south boundary of Township 3, Rupert
District, thence west along the south bound-
ary of said Township 3, Rupert District,
thence north along the centre line of
Marble Bay and the West Arm of Quatsino
Sound to the mouth of Muir Creek,
thence along Spruce Creek to the
east boundary of Township 37, Rupert
District, thence north along the east bound-
ary of said Township 37 to the northeast
corner thereof, thence west along the north
boundaries of Townships 37, 44 and 44 to
the Pacific Ocean, and including all the
foreshore and lands covered by water ad-
jacent to the East Coast of Vancouver
Island, together with all lands lying be-
tween the Mainland of the Province south
of the 51st parallel of north latitude and
Vancouver Island and all the lands within
the boundaries of the Districts of Oyster,
Goldstream, Metcalpin, Esquimalt, Victoria,
Lake and North and South Saanich, Sooke
and Highland.

The cancellation of this reserve shall not
take effect and staking for coal shall not
be lawful until notice of such cancellation
is published for sixty (60) days in the
British Columbia Gazette and in a news-
paper published or circulating in each of
the Land Registration Districts of the
Province of B. C.

This notice shall in no wise affect the
reserve against the acquisition of Coal,
Petroleum and Natural Gas in the Peace
River District, established by notice in the
British Columbia Gazette on the 27th of
March, 1919, which reserve is still in force
and effect.
