Sport Chat

In spite of the fact that Tex Rickard, world's greatest boxing promoter, put in a bid of \$150,000 for the Lew Tindler-Benny Leonard bout, Herman Taylor, of Philadelphia, finally clinched the match for August 12. Leonard has agreed to make 135 pounds at 2 o'clock and will receive 40 per cent of the gross receipts. The baseball park, where the contest is to be staged, has a seating capacity of 35,000 people and the top price will be \$10.

After a tour of Canada and the United States where over thirty games were played, the Scottish all star footballers are again back in the Old Country after their two month's trip. The fact that the Scots were successful in winning every game they played demonstrates that, even if it is professional, the best football talent of the world is to be found in the Old Country. Such a tour has done much to arouse interest between Canada and the Old Country in the great soccer game and the second trip, which is proposed for next summer, will be looked forward to with no little interest. Perhaps, then, Prince Rupert will have a better chance to size the visitors up than she had this year.

Halliwell, of Toronto, Canada's cleverest goal keeper, who represented Canada against the all star Scottish players on July 9 at Montreal is leaving for England shortly to join the English League. He will be on hand for the commencement of the season. While it is not known definitely what club he will sign with, it is understood that Chelsea will have the first call on his services. Halliwell is one of the first Canadian soccerists to go to the Old Country to play professional football.

PAINTERS' SMOKER

Interesting Event in Honor of Marriage of M. J. Keays.

Last night the painters of the city, members of the Painters, Decorators and Paperhangers of America held an enjoyable smoker in Carpenters' Hall in honor of one of their members, M. J. Keays, who was married last week. Five entertainers gave interesting musical selections which were much appreciated. These were J. O'Connor, L. G. Perry, G. Kenyon, J. Provost, and S. Scriven, the last mentioned being an expert violinist. Among the guests were A. W. Clark, foreman painter at the drydock; A. W. Edge, who gave an interesting address and Arthur Silversides, Messrs Clark and L. O. Larsen gave some fine vocal selections.

The gathering broke up at a late hour after a very pleasant time had been spent.

SCHEDULE CHANGE.

Owing to the visit of the Jasper Baseball team at the end of the week and the first game being scheduled for Friday evening, the Senior Football League fixture between the Sons of Canada and the Great War Veterans has been changed from Friday to Thursday night and the Junior Baseball League doubleheader scheduled for Thursday evening will be cancelled.

WERE POSTPONED.

TORONTO, July 26.—On account of rain, the Davis Cup doubles tennis match between Canada and Australia was postponed until today.

104 EGGS IN 104 DAYS.

HALIFAX, N.S., July 26.—"Lady Lena," a barred Plymouth Rock hen, registered at the Dominion Experimental Farm in Kentville, N.S., as No. 63, laid one hundred and four eggs in one hundred and four days and is the Halifax Morning Chronicle asserts, the champion of the world. "Lady Lena" was hatched in 1919 and began her egg-laying career in November of the same year. She did not begin her record non-stop lay until February 18, 1920, however. On that day she laid her habitual egg and on every day thereafter until May 23, she repeated. During 1920 she paid for her board with 246 eggs.

"Lady Lena's" record was made in the trap nest under Government supervision. Professor C. H. Blair, superintendent of the farm where Lena makes her home, vouches for it.

DUNCAN RESOLUTION FILED BY COUNCIL

The resolution from the Duncan city council regarding the Oriental question, which was sent to the local city council for endorsement, was filed last night on motion of Ald. Parker, seconded by Ald. Dybava. Ald. Parker took particular exception to the clause asking that the municipalities supervise the taking up of land by Orientals. He deemed that this was no affair of the municipality but one for the Dominion Government to deal with.
