PRINCE RUPERT HAD EASY WIN

Lucerne Baseball Players Failed to Stand Up Against Locals.

Prince Rupert had little difficulty in defeating the Lucerne baseball team in last night's game which resulted in a score of 8 to 3. There was a good attendance and the benches were full with fans, some of whom were disappointed with the ball played and others who were surprised that the visitors did as well as they did.

The railway boys from the mountain town, it was plainly evident from the game, are not as good ball players as the locals in any department of the game. Their main deficiency, however, is in the box and neither of the pitchers, Gray or C. Garrison, had anything to bother the home team who were able to hit both freely. It is unfortunate that the visitors are not able to field either of their star pitchers, Nolan, who broke his finger at Smithers, or Chuck-aluck, who was unable to make the trip.

Has Good Infield.

The Lucerne team, if it has nothing else, has a very creditable infield which is both safe and speedy. It was doubtless due to this infield and the support that it accorded its battery

held down and made many hits. From the very first inning, when Prince Rupert made four runs, Lucerne was at no time dangerous and never came anywhere near equalizing or taking the lead. In fact to nearly all the spectators, the game was early a foregone conclusion. Faced with one of the strongest fields available in the city, the Lucerne players early had their work cut out.

Lineups and Scoring.

The teams lined up as follows:

Lucerne—McLellan, cf; Speare, lb; Johnson, c; Gray, p; and 1b, T. Garrison, ss; L. Guile, 2b; Pement, lf; Calhoun, e and 3b; C. Garrison, cf and p; Taverna, rf.

Prince Rupert—Hardy, cf; Anderson, ss; V. Menzies, 3b; Clementson, lf; Day, p; Lane, cf; Eason, 2b; Corkle, c; and Maloney, 1b.

Parrington was umpire of balls and strikes and Sid Winsky handled the base line decisions. The score by innings follows:
1 2 3 4 5 6 7 8 9
Lucerne 0 0 0 1 0 2 0 0 0 3
Prince R. 4 0 2 1 0 0 0 1 8

The second of the series is being played this afternoon and the third will be this evening. Played against a new battery for Prince Rupert and new men in the field, it is quite possible that the visitors may yet give a good contest.

WESTMINSTER TAKES FOURTH

Defeats Vancouver Again in Minto Cup Lacrosse Series.

VANCOUVER, July 30.—The Minto Cup contests in the local lacrosse series are becoming somewhat monotonous. Yesterday New Westminster won the fourth consecutive match against the Vancouver Terminals, the score on this occasion being five to three. The games have all been well contested, but the general opinion seems to be that the best team won.

HUNTING BIG BEARS ON ALASKAN COAST

JUNEAU, July 30.—From the Malay Peninsula to King Cove on the Alaska Peninsula, to hunt brown bear, is the trip made by Theodore R. Hubback, retired rubber planter and big game hunter, who is in the city. Mr. Hubback arrived on the gasboat Admiralty from Honnah, having reached that place from King Cove on the Pacific Alaska Fisheries vessel Catherine D. He left Juneau on the Alameda to further continue his hunting in the interior of Alaska.

Mr. Hubback in company with W. T. Easley of New York, left Seattle on May 12 on the motorboat Avil and were met at King Cove by H. Peel and Andre Simons, guides, and Mrs. Simons. They had a very successful hunt in that district, seeing at least 100 brown bears. They were after specimens that were large and had good hides and found that most that they saw were of only medium size and that their hides were rubbed. Mr. Hubback was forced to shoot one eight feet in length as it attacked his party. He also killed one that measures 10 1/2 feet from tip to tip. Mr. Easley got his legal bag of three big fellows and continued on his way to the South on the Catherine D.

Mr. and Mrs. L. Delmonte, of Shawatians Lake, returned today from a trip to Vancouver and Victoria.

DIVIDE A DOLLAR BETWEEN TWO TEAMS

The "Committee of Ten," who now control local soccer, put in a very busy two hours last evening and did a lot of work in a most expeditious manner, says the Montreal Star. Perhaps the "sweetest" item was the complaint of the South Shore League against J. Prendergast, who refereed the semi-finals of the "Dunville Cup" last Saturday. The takings at the "gate" amounted to the enormous sum of \$6.80, and Prendergast claimed and was paid \$5.80, representing the fee and train-fare. This left one dollar to be divided between the two teams. A little discussion took place as to how far the Board had jurisdiction, and it was eventually decided to send the letter to the Referees' Association, but it is difficult to understand how they can act in the matter, as Prendergast is not a member, and was only appointed by Secretary Wilson at the last moment. That is how this affair stands at present.

VANCOUVER MAN IS CANADIAN CHAMPION PROFESSIONAL GOLF

TORONTO, July 30.—Dave Black of Vancouver won the professional golf championship of Canada for the fourth successive year yesterday making 36 holes in 148.

Professors As Golfers.

One caddy asked another what sort of a player a certain University professor was. "A champion duffer," said the other, "I wish he was as glib at the golf as they tell me he is at learn' the students. It takes brains to make a gowfer, and I'm thinkin' the professor has no' got his fair share."—"Andra" Kirkaldy.

The Prints of Peace.

"Some do," replied Senator Sorghum. "And others are lucky if they get out without having their thumb-prints taken."—Washington Star.

ONTARIO JOCKEY CLUB MAKES BIG PROFITS AND MUCH DISCUSSED

TORONTO, July 30.—The Ontario Jockey Club has been under fire recently in connection with the matter of excess profits from betting. The present capitalization of the club is \$600,000 but the actual investment was only \$10,000. The club pays five per cent on the present capitalization which it is shown is 300 per cent on the original real investment.

The total profits from seventeen meetings was well over two and a quarter million dollars and the net profits from the same well over a million and a quarter. Accusations have been made that the race managers are working hand in hand with disreputable betting characters and that the whole business is an unsavory one.

Sunday, July 31.
High—10:46 a.m., 16.4 feet.
22:38 p.m., 20.1 feet.
Low—4:29 a.m., 4.9 feet.
16:16 p.m., 8.2 feet.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

BASEBALL AVERAGES

Lines and Clementson Lead Hitters; Sons of Canada, Fielders, Elks, Hitlers.

Batting averages for individual players and fielding and hitting averages for the three teams in the City League have been compiled at Gil's Cigar Store. They show Lines, of the Red Sox, leading the list in batting although Clementson, with a larger number of at bats, comes a close second. The Elks lead in fielding. In designating the teams on which the players are lined up, (E) represents Elks, (C), Sons of Canada and (R) Red Sox.

The averages follow, only those with over 200 being recorded:

A whisper only! One of the leading football authorities in town says that somebody is going to spring a surprise at the football meeting on Tuesday night and offer a reward in the form of medals or a cup for the Junior League footballers who have been playing all season and putting up mighty good ball with no concrete trophy in sight. Who this generously inclined person or persons may be is not disclosed, but after Tuesday night it is likely that Juniors will have some official prize to work for. Come on you Dry Docks and Athletics! forward to battle!

The Sons of Canada had several chances for winning the Senior League football championship and the advantage before Thursday night's game was decidedly in their favor, but the best chance was the game with the Veterans and they successfully availed themselves of it. Had they lost that game, the chances would have not been so bright because the Gallies seem to have a tremendous amount of confidence that they will be able to defeat the Great War Veterans in the two remaining matches and take second place in the league. In fact the Scots seem now to be a pretty safe bet for that position when it is taken into consideration that they only need to win one game to do so and one tie score will place them on even footing with the Sons of England. They are in better form now than they have been at any stage of the season and it is unfortunate for them that the come-back which now seems so apparent had not come earlier in the season. The first Gallies-War Veterans will be on Wednesday night, the second, likely next Saturday afternoon.

The next number on the local football program will be the Gilbey Cup tie series. The Football Association having de-game dropping out. If there is an odd number of entries there will be a bye. The teams will first be matched by drawing from a hat and there will likely

that the Prince Rupert team did not pile up a larger score than they did. Fly catching and quick playing on base lines were responsible for putting out the locals on several occasions when the pitcher showed his incapability of keeping them off the bases. There were a good many errors, the most of which were against the visitors, although the home team made two or three rather had ones. In hitting, the Lucerne team were held just about as Shakespeare wanted them while the locals were never
