### OLIVER SETS GOOD PACE IN BIG CAMPAIGN

Deals with Voters Lists and Un- seemly Hosts for Elections.

VICTORIA, Sept. 24.—That the action of the Meighen adminis- tration in holding an election be- fore redistribution was sufficient reason for the people of Canada voting the present Government out of office was the declaration of Premier John Oliver at the opening of the new Liberal Club here.

Other speakers were Hon. John Hart, Minister of Finance; M. A. Macdonald, K. C., senior member for Vancouver; J. B. Clearihue, member for Victoria, and Wil- liam Ivel, president of the Liberal Association.

In spite of the fact that the Provincial Government had prepared a voters' list, the Dominion Government had decided to merely use this as a basis for the preparation of another list, said Premier Oliver.

"The Minister of Justice him- self, when I was in Ottawa, told me face to face that they would take out of that list the names of just whom they saw fit and put in the names of just whom they saw fit," said the Premier. "You have in power a Govern- ment that is discarding honor and decency in compiling voters' lists for the coming elections," he added.

The Conservatives, with their high protection policy, declared the Premier, were in power for eighteen years after 1878, yet they brought no prosperity to the country, but when the Liberals came to power in 1896, with their tariff revision, Canada was started on a period of prosperity such as she had never before enjoyed.

### EVIDENCE IN ARBUCKLE CASE

Medical Opinion Given Is That Actress Did Not Die From Alcoholism.

SAN FRANCISCO, Sept. 24.—The evidence of Alfred Seman- acher, Miss Rappe's manager, yesterday at the trial of Roscoe Arbuckle, showed that Seman- acher was in and out of Arbuckle's party several times on the fateful afternoon of Miss Rappe's death. He said he only saw Arbuckle drinking with a crowd of a dozen men and women. He was unaware if Arbuckle was alone with Miss Rappe before the fatal seizure.

The statement of Dr. Beard- ley confirms the medical opinion previously given that injuries from outside were the cause of death and not alcoholism.

DUNDEE, Sept. 24.— Speaking here today Hon. Winston Churchill, secretary of state for the colonies, said the Government had gone to the utmost limit possible in its offer to Sinn Fein and that if it is rejected the Govern- ment had nothing else to give. ### NO CATHOLICS ON COMMITTEE

Cardinal Logue Refused to Send Representative in Ulster.

BELFAST, Sept. 24.—The Mar- quis of Londonderry, the Ulster minister of education, explains that Catholics were not represented on the committee on education because Cardinal Logue and the leading Catholics of North Ireland declined the invitation to send representatives. The Ulster Parliament, which adjourns at the end of Novem- ber instead of in February, sub- ject to an emergency call, is con- sidered to have a significant bearing on the Irish negotiations.

### JOBLESS URGED TO GO TO IRELAND FOR AID

VANCOUVER, Sept. 24.—Van- couver's unemployed have been told to "go to Ireland for help," by Alderman Joe Hoskins. But he does not mean their proceed- ing to the distressed isle of the Sein Finn. ### Wealthy Chinese with Lavishly Gowned Women Attend Theatres; Second One Opened in Vancouver

VANCOUVER, Sept. 24.—Some idea of the growth of the Chinese colony in this province may be gained by the opening of another large Chinese theatre in Vancouver. The Celestials have just acquired a long lease on the Imperial Theatre, one of the largest houses in the city, but which was closed for a long time. It is on Main Street, and indicates the expansion of Vancouver's Chinatown from the Pender Street arteries of Orientalism. There is another Chinese theatre—a large place in the heart of China- town. Both places are crowded nightly.

The entertainment runs to two houses nightly and lasts long after the white men's theatres close. Scores of handsome au- tomobiles are lined outside as wealthy Chinese dash up. Lav- ishly gowned belles, and beaux, of Chinatown attend, all attired with gems. The womenfolk dress in modern raiment and Chinese costumes.

The performances are every- thing from tragic drama to the Chinese Charlie Chaplin. Wild fray night when a freight wagon mingle with the crashing of cym- bals, tooting of horns, rattling of castanets and falsetto yodels of minstrels. The theaters are radiant with dragons, and the newly acquired theatre is tinted with riotous colors and ablaze with multi-colored electric lights.

It is estimated that Vancou- ver's Chinatown has increased vastly in recent years. Some of the Chinese are very rich. They have no indigents as public charges. Building has been ex- tensive in Chinatown within the past nine months. A new bank has been opened there, with de- partment stores and a business block of new erection.

The Japanese have no theatre of their own at present, but it is said one is contemplated. The growth of the Japanese is also great.
