It is a beginning of a new era in Imperial statecraft and quibbles over small matters connected with it could well be dropped for this occasion. Possibly Mr. King may bring error. to light matters which have not yet been noticed but, unless he has some such information, we think he would be well advised to forget the criticisms until a more convenient season.

RHODES SCHOLARS

The Rhodes scholars are oncé more about to be appointed, enabling some outstanding student to go to Oxford University to take a post graduate course. Applications will be considered in December. Should there be any local young man who is contemplating making application, particulars can be secured at the Daily News office.
