

Special Enlargements

This Enlarging Machine is a new invention recently brought out by the Kodak Company. It revolutionizes the making of enlargements.

Ten vastly superior prints—just as sharp as the contact prints—are made in the time formerly required to make one. Remember, however, that only good negatives make good enlargements.

The familiar scene or subject, to which perhaps a bit of sentimental attaches, is incomparable for a home decoration. "The proof of the pudding is in the eating." Send along your negatives.

Enlargements artistically mounted and framed.

BACK TO WORK AGAIN

—quite rid of an obstinate wound or other disabling injury. Wouldn't it make any man feel thankful toward Zam-Buk? A box of this wonderful healer is, to the wage-earner, as good as any accident insurance policy. Cuts, wounds, burns and scalds can't fester or become inflamed or poisoned where antiseptic Zam-Buk is promptly applied.

"I was back at work in a week thanks to Zam-Buk, though the doctor was sure I would be laid-off for a month," says Mr. H. Hogben, 358, Beverley St., Winnipeg. "My hand caught in a revolving belt, and three fingers were badly mangled. After one week's use of Zam-Buk the wounds were well healed. It was worth three weeks' wages to me."

Mr. C. Oakley, of Saskatoon, Sask., says:—"Down at the stoneyard, I cut my leg badly. A doctor sewed up the wound and attended me for five weeks. It had cost me \$40 when I determined to try Zam-Buk. In two weeks I dollar's worth healed the limb splendidly."

Zam-Buk is equally valuable in eczema, acne, ringworm, ulcers, piles, abscesses, bad legs, etc. Purely herbal, it's a most wonderful skin remedy.

A SHORTENED STORY

"The day after the gathering of the Y.D. here recently," a correspondent writes, "a boy remarked to his sister's young man: 'You should have seen the caller sister had last night. I tell you he looked fine sittin' alongside of her with his arm—' 'Johnny' gasped the sister, her face getting very red.

"Well, so he did," insisted Johnny. "He had his arm—"

"John! interrupted his mother sharply, 'leave the room this instant!'"

"And Johnny left, grumbling as he went: 'I was only going to say he had his arm—'
