#### This lady says her curtains look like new

A letter from a lady in Quebec tells about the wonderful success she had freshening and recoloring her old living room curtains. "They were so were perfectly good and I couldn't of Diamond Dyes. I know the splendid quality of Diamond Dyes-have used them often for dyeing dark garments. My neighbor explained that Diamond Tints are for lighter shades and they need no boiling. I got a package of Ecru and gave my curtains a good rinse in the tint water. When my daughter came home she asked where I got my new curtains! They surely do look as crisp and fresh as when brand new and they cheer up the whole room!"
