CHOLERA INFANTUM

The Fatal Disease of Children

Mothers should look well after their young ones during the hot summer months as this is the time of year when this summer complaint is most prevalent. It begins with a profuse diarrhoea, the stomach becoming irritated, vomiting and purging set in, and the matter ejected from the stomach has a bilious appearance; the child rapidly loses flesh and is soon reduced to great languor and prostration which in a great many cases terminates fatally.

To quickly offset the vomiting, purging and diarrhoea

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

should be administered.

Mrs. Charles Kretlow, Widesview, Sask., writes:—"I have used Dr. Fowler's Extract of Wild Strawberry for summer complaint. I think it saved my little girl's life one time as she was so bad I thought she was going to die. A friend advised me to get "Dr. Fowler's," so I got a bottle and it helped her right away."

Don't endanger your child's health by accepting a substitute, but get the genuine "Dr. Fowler's," price 50c. a bottle; put up only by the T. Millburn Co., Limited, Toronto, Ont.

PHRENOLOGIST IS BACK FROM ALASKA

This is addressed to the people who do not believe in palmistry and phrenology. They are not alone. There have been many who did not believe in these sciences, and any of them who have consulted with Prof. Rosen, who is now located at Room 1, Central Hotel, have changed their minds.

If anyone having any personal or business troubles which he cannot settle or solve to suit himself, he will find help by consulting Prof. Rosen. He claims to be an expert in bringing peace to the mind and determination to the troubled and undecided individual. Inquiry of anyone who has consulted the palmist and phrenologist will bring forth words of praise for him. He will tell you the past, present and future, and will be here until the 18th. Will be pleased to make private calls.

OUT IN DEFENSE OF BOBBED HAIR RESULT STORE RESTRICTIONS

CHICAGO, Sept. 8.—Bob has to go. He cannot be tolerated in the shops of Chicago and especially in the big emporium of Marshall Field Co. No girl with bobbed hair will hereafter be employed there. In these hard times the girls have had to bow to the will of the autocrat who employs them, but not without protest.

Dozens of letters have been written to the papers condemning restrictions on bobbed hair. They say it is neat, practical, cool and sanitary.
