**MASSET PEOPLE SEE THE MOVIES**

Rev. Mr. Gillett Uses Cinematograph in Connection With Missionary Work.

Recent visitors to Massett tell of the popularity of the movie films shown by Rev. Mr. Gillett in connection with his work at the Indian mission at Massett, and which are also shown for the benefit of loggers and others. He gets a film direct from Pathoscope which is non-inflammable and is able to show the natives the antics of Charlie Chaplin, the pathos and beauty of Mary Pickford and all the other movie stars in their varying moods.

Mr. Gillett was formerly engaged in the fishing industry on the Newfoundland coast and is still keenly interested in the work of the fishing folk of the islands.

**To Be Dyspeptic Is to be Miserable**

The poor dyspeptic suffers untold agony after every meal, and any one who has dyspepsia knows what joy it would give to eat three square meals a day and not be punished for it after. Scarcely anything that enters the weak stomach acts as an irritant, and even the little that is eaten causes such torture and is digested so imperfectly that it does little good.

Before you can eat healthily, and not pick and choose your food, you must put your stomach into such a condition that it will manufacture its own digestive ferments.

For over forty years Burdock's Blood Bitters has been tuning up and restoring weak stomachs to a normal healthy condition so that the food no longer causes distress, but is thoroughly digested and assimilated, and enables one to partake of all the wholesome food required without fear of any unpleasant after effects.

Mrs. Alice Beckwith, Fesserton, Ont., writes:—“I have been a great sufferer from indigestion and dyspepsia for several years. I could not eat anything without almost dying from the pain in the pit of my stomach. Seeing Burdock's Blood Bitters highly recommended I tried a bottle, and can gladly say it relieved me. I can eat anything now, and am in perfect health.”

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

**VANDERHOOF**

Frederick McLaren has been awarded the first prize by the Board of Trade for a slogan for Vanderhoof. His motto was:—“Vanderhoof, Where Rail Meets Trail.” The second prize was won by Mrs. Lillian Gething, “Vanderhoof, the Great Northwest and Prosperity”; third by John D. Charleson, “Farms, Furs and Gold.”

The final games of the winter season's whist tournament held by the Social Card Club were held in the Neehako Hotel last week when the members were the guests of Mr. and Mrs. Hugh Wilson. The winners for the season were: Mrs. Cecil Hartley, Mrs. A. J. Richards, Mrs. E. A. Mitchell, H. L. McKenny, A. J. Richards and Duncan Campbell.

Cecil Hartley has been approached by Prince George athletic enthusiasts to take part in a boxing contest there on July 1. It is understood that a man would be brought in to meet him.

**On a Secure Basis.**

“Dad,” said the financier's son, running into his father's office, “lend me \$600.”  
“What for, my boy?”  
“I've got a sure tip on the market.”  
“How much shall we make out of it?” asked the old man cautiously.  
“A couple of hundred sure,” replied the boy eagerly. “That's a hundred each.”  
“Here's your hundred,” said his father. “Let's consider that we have made this deal and that it has succeeded. You make a hundred dollars and I save five hundred.”—Boston Transcript.
