## FOOTBALLERS ANNUAL MEET

Senior League will Likely Have Four Clubs and Junior Three—More Possible

### INNOVATION MADE IN CONTROL BOARD

Big Attendance Last Night Shows that Interest in Game is Unabated

There were fifty persons in attendance at the annual meeting of the Prince Rupert Amateur Football Association last evening. Financial reports were submitted, officers elected and the manner of conducting the game this year received full discussion. The meeting was held in the City Hall and the attendance was highly satisfactory.

A financial report for the year which was submitted showed that the income from last year's games had been \$1,012.16 and after all expenses, including medals and citations to the various clubs, had been paid there was a balance of \$23.86 left.

Following this there was a discussion as to how football would be governed this year and the elections of officers took place resulting as follows:

President, E. A. Woods.  
Vice-President, D. G. Stuart.  
Secretary-treasurer, George S. Russell.

These officers will be supplemented with one delegate from each club in the league and will make up the association which will govern all matters of finance, arrangement of games and general business.

#### Board of Control

An innovation was adopted in the appointment of a board of control, the special business of which will be to settle all disputes and regulate the conduct and discipline of the game. This board was chosen as follows: J. R. Mitchell, George Hill, A. T. Parkin, S. D. Macdonald and E. R. Tidmarsh.

It was recommended at the meeting that insurance against accidents to players on the field be taken out so as to eliminate the necessity of staging benefit games. No action was taken in this matter however.

#### Four Senior Teams

There will be four teams in the senior league and three teams in a junior league, according to a survey taken from the delegates at the meeting last night. In the Senior League will be the Sons of Canada, Sons of England, Great War Veterans and Callies. The Junior League will consist likely of the King Edward School, High School and Dr. Doak.

Three footballs are to be donated by the association to the juniors.

Each of the prospective Senior League teams had delegates attending the meeting last night. There is a possibility that more clubs may yet join.

### NEW METLAKATLA WOULD PLAY HERE

**Ben Self was in Receipt This Morning from Captain Indian Team Asking for Game**

Ben Self this morning received a letter from the captain of the New Metlakatla Baseball team asking for a game with Prince Rupert here on May 24. The matter is being referred by Mr. Self to the Baseball Association.

Captain—Well, sir, our goal-keeper ain't much use, our center-forward 'as a gammy knee, and the left 'alfback may not turn up, but—my brother Jim is refereeing for us.—London Opinion.

### When Baby Comes

met by Dr. Chase's Nerve Food.

Mrs. Wm. Woods, Coldwater, Ont., writes: "After the birth of my baby I was run down, nervous and could not eat or sleep, jumping at the least noise. Dr. Chase's Nerve Food built me up and made me strong and well again."

Mrs. David Logan, Thornburn, N.S., writes: "A friend of mine whom I went to see after baby was born told me she used Dr. Chase's Nerve Food all through the expectant period and attributed her good condition and splendid baby to its use."

Dr. Chase's Nerve Food, 50 cents a box. All dealers, or Edmanson, Bates & Co., Ltd., Toronto. Look for portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, on the box you buy.

### GIANTS LOOK LIKE WINNERS

**Line-up of Situation in National League with the Opening of Season**

CHICAGO, April 14.—Despite the many changes in both the playing personnel and managers of clubs, baseball authorities look forward to another banner year in the big league races which commenced yesterday. Notwithstanding the unprecedented popularity of the game during the past two years, club owners and league officials are making plans for even greater things.

With the return of Johnny Evers as manager of the Chicago Nationals, a new fighting spirit is expected to be instilled into the players—a spirit that was totally lacking last season. The pitching department is considered one of the best of the league with Alexander, Taylor and Vaughan forming the backbone, Kilkis will do the bulk of the catching.

The personnel of the Phillies will be practically the same as last year but if the veteran pitchers perform as expected they will possibly end up better than they did then. The Philadelphia National infield, however, is said to be anything but reassuring.

Pittsburg is experimenting with a lot of new men this season and little prediction can be made. Maranville will be at short and will be a great acquisition.

Giants are Strong.

Right up in front in the start is the place in the 1921 pennant race which the followers of the New York Giants expect that the team will occupy, if careful preparation and excellent coaching during training can bring success. The Giants should certainly have the best of it. Manager McGraw and his assistants seem to be pretty well satisfied that they will be able to put a championship team into the flag contest.

The Cincinnati Reds are a re-modelled ball club from the one which won the National League series and the scandalous world's series in 1919. There are only three of the old players left in the game. The team has, however, developed unexpected strength and the work of the infield has been high class. Manager Moran feels his club will win far more games than it will lose and fans are sure it will finish in the first division.

Old Timers Here.

Brooklyn's chances in the National League this year should seem to depend more upon the changed conditions in the other clubs than upon an estimate of the Superbas' own strength. They start the season with practically the same lineup as last year and the age of some of the players

### Sport Chat

The annual meeting of the Vanderhoof Baseball Club was held last week. There are going to be a lot of new players there this year and fans are looking forward to a good season. Practices will commence in about a fortnight. The officers chosen were as follows: Captain, T. P. Smithers; manager, Warren Johnson; secretary treasurer, W. E. Egger.

Big league baseball has become an institution in the United States so the history of the National League dates back to 1876 and yesterday's games marked the opening of the 46th consecutive season for the senior major league. Raising its first pennant in 1900 the American League contests are now on their twenty-second year.

During the period of forty-five years in which various teams have fought for the National League pennants those representing Eastern cities have won 23 championships while Western clubs have captured 17. Chicago leads with 11 pennants, Boston is second with nine and New York third with eight. In the American League Boston and Philadelphia have each won six pennants, giving the East a total of twelve while the Western clubs have accumulated nine, five for Chicago, three for Detroit and one for Cleveland. Other pennant winners in the National League were: Brooklyn, 5; Pittsburg, 4; Baltimore, 3; Providence, 2, and Detroit, Philadelphia and Cincinnati, one each.

The following is the list of managers in the Big League teams this year: American League—Cleveland, Tris Speaker; New York, Miller Huggins; Chicago, Wm. Gleason; Detroit, Ty Cobb; St. Louis, Lee Fohl; Boston, Hugh Duffy; Washington, Clark Griffiths; Philadelphia, Connie Mack. National League—New York, John J. McGraw; Brooklyn, Wilbert Robinson; Chicago, John J. Evers; Cincinnati, Patrick Moran; Pittsburgh, George Gibson; Boston, Fred Mitchell; St. Louis, Branch Rickey; Philadelphia, William Donovan.
