UXOR CAKE*

with Magic Baking Powder

rice to all housewives, both skilled and inexperienced, is: Use Magic Baking Powder. Then there is no uncertainty about your baking," says Miss Ethel Chapman, Editor of the Home Section in the Ontario Farmer.

This unqualified statement is particularly impressive because thrifty Canadian home makers have learned that Miss Chapman's advice is invariably practical.

Other well-known food experts and cookery teachers in the Dominion share Miss Chapman's high opinion of Magic. In fact, the majority of them-and housewives, too-use Magic exclusively. No wonder Magic outsells all other baking powders combined!

Miss Chapman's recipe for *LUXOR CAKE

1 cup fine granulated sugar teaspoon vanilla extract cup egg yolks 2 cup lukewarm water s teaspoon Magic Soda 11/2 cups pastry flour (or 3 tablespoons Jess of bread flour) 2 teaspoons Magic Baking Powder 1/2 teaspoon salt

Sift sugar. Measure out 2 tablespoons, pour on vanilla extract and set aside. Add water and soda to egg yolks; beat with egg beater until foamy, Add sugar a little at a time, beating in well. Add flavored sugar and beat. Sift together flour, baking powder and salt. Fold carefully into mixture; pour ngreased angel cake pan. Bake j moderate oven at 350°F, for 40 to 45 minutes. Invert pan and let stand until cake is cold, when, with the aid of a spatula, it will slip from pan. Remove all crumbs and moist crust from surface and cut in three layers.
