WILL PRESS ON  
NEW GOVERNMENT  
NEEDS OF RUPERT

Matter Was Brought Up at the  
Board of Trade Last Night  
and Referred to Committee.

At the meeting of the Board of Trade last night a discussion was precipitated by J. F. Maguire in regard to making representations to the new Government at Ottawa. The resolution introduced by Mr. Maguire had to do with the trans-Pacific steamship service and covered only part of the matter the board wished to take up with the member elected and through him with the Government. It was therefore referred to a special committee consisting of the president, the chairman of the Trade and Commerce committee and chairman of one or two other committees interested to draft a short but complete resolution embodying the views of the board in regard to coal bunkers, trans-Pacific trade and the use of the shipyard and dry dock. These it was pointed out were the outstanding matters needing action and should be pressed upon the Government at the earliest possible date but action should not be too precipitate in regard to them until the new ministers were in office.

The member for the district will be asked to attend the next meeting of the board to discuss the whole matter so that the most effective campaign may be launched.

Sport Chat

Harry Anderson and Bert Hughes have just opened a modern gymnasium in Prince George. Anderson is a boxer of some skill and sporting circles in the Upper Fraser town are discussing the possibility of putting on a bout between him and Lem Hartley, the clever Vanderhoof fighter. Hartley put up a fine exhibition in Prince George last year when he knocked out Frankie Stone, of Edmonton, in the eighth round of a battle staged in the Ritts-Keifer Hall.

This will be the last week-end of the season in which local deer hunters will be allowed to engage in the sport for the deer season closes on December 15, next Thursday. On the whole this season has been a very successful one and many animals have been bagged by the hunters. Bad weather which prevailed almost throughout was the one bad feature but to those who braved the elements this proved a benefit on many occasions and made hunting success easier, even if it was uncomfortable.

The season for duck and geese hunting closes ten days later than the deer season, namely on December 25, Christmas Day. This will just allow hunters to get their last bag of the season for Christmas dinner. Fowl hunters this fall have not met with such general success as the deer hunters. On many week-ends, the weather was so bad and the sea so rough that only the most venturesome of the nimrods would go out. In spite of the fact that so many birds have not been brought in this season as usual it seems they were just as plentiful as ever.

WHIST DRIVE GIVEN  
BY SONS OF ENGLAND

Sixteen Tables at Affair Held  
Last Evening in Knights of  
Pythias Hall.

The entertainment committee of the Sons of England put on one of their regular whist drives in the Knights of Pythias Hall last night. There were sixteen tables of whist and refreshments were served after the card playing. There was to have been a dance but the floor was not in shape so it had to be postponed.

The first prize winners were Mrs. J. Oliver and Joe Howe, consolation awards going to Mrs. S. V. Cox and John Day-Bell. F. Sailer was in charge and Jack Fuller and J. Harrison were on the door.

CLOSE HOCKEY MATCH  
SEATTLE VS. VICTORIA

Teams Tied and Extra Period  
Showed No Change in Results so Each Gets Point.

VICTORIA, Dec. 10.—The hockey match here last night between Seattle and Victoria was very close, so close that during the first two periods neither side scored and in the third period each got a goal. The game was extended for a period and during that twenty minutes there was no score. The game ended a tie, each scoring a point. The recently adopted rule which restricts the overtime to one twenty-minute period was responsible for the draw. It is the first league game under which the rule applied. The players who scored were Oatman of Victoria and Hickey of Seattle.
