

KANTLEEK

It Can't Leak, Because It's Made in One Piece

EVER been scalded by a leaking hot-water bottle? This can't happen with a Kantleek.

Kantleek Hot-Water Bags can't leak. They are "one-piece" water bags—moulded from pure soft rubber into a single piece—no joints or seams. Most hot-water bottles are made in sections and cemented. Cement cracks—bag leaks!

We guarantee a Kantleek for two years—or a new bag free. Ask to see the Kantleek. You may need it tonight.

**1 Pill a Laxative,
2 Pills a Cathartic,
3 Pills a Purgative,
This is the Way Millburn's
Laxa-Liver Pills Work.**

You will never use any of the old gripping, nauseating, sickening purgative pills, containing as they do calcium and other drastic mineral ingredients, once you use Millburn's Laxa-Liver, a pill that is purely vegetable.

Owing to the great care used in procuring the highest grade of drugs from which they are manufactured, they are as near perfect as it is possible to get a laxative remedy.

They work gently and effectively, without a gripe or pain.

If you are troubled with constipation, indigestion, driven to distraction with sick headaches, if your tongue is coated, your breath bad, your complexion sallow, your eyes yellow, have floating specks before the eyes, jaundice, itching, bile-ang or protruding piles, stir up your sluggish liver with a few doses of Millburn's Laxa-Liver Pills.

Mrs. Roy Mackie, Orillia, Ont., writes: "I desire to express my thanks for the relief I have had by using Millburn's Laxa-Liver Pills. I had been suffering for some time from constipation and had headaches. I tried all sorts of cures, which did me no good, until I was advised to try your pills. I got great relief after taking only a few doses."

Price 25c, a trial at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont. Adv.

Opium Trade

Suppression of the trade in opium and other narcotic drugs, especially in China, is to be undertaken by an advisory committee, aided by experts from all the countries involved. The Netherlands' government, which heretofore has taken the lead in the suppression of the opium trade by co-operative action, has turned the whole problem over to the League.

In conclusion, Mr. Sweetser declared that "the months between now and September are going to be full of very careful and detailed study of every phase of League interest. The League," he asserts, "instead of slowing up, is going ahead with greater intensity than ever."
