Sport Chat

Following their series with local select baseball team on Friday and Saturday here, the Jasper team, now on a tour of the central interior and the coast, will go to Anyox where a series with the smelter players has been arranged.

John D. Rockefeller's golf course at Terrytown, New York, acquired a handicap recently which made the playing more difficult than any of the bunker traps or natural hazards.

Tomorrow night the Gallies and Sons of England will play football in a Senior League fixture. If the Gallies win they will take a good step forward in the league standing and if the Sons of England are victorious they will be but one point behind the league leaders.

It really seems that they would prefer the Sons of England to be in the lead rather than the Sons of Canada but that will not deter them from putting their best foot forward tomorrow night in a hard effort to win that game for their chances in the league are by no means slim even if they are somewhat behind at the present time.

EVERYONE WAS OUT ENJOYING SUNDAY

Everybody was out yesterday enjoying the glorious sunshine at the beaches. The launches "23" and "Pachena" carried about six hundred to the Salt Lakes and the "Oh Baby" ran a regular two-hour service to Mellakalla.

A few people went farther afield, Shwawlan's Lake and the mouth of the Skeena River being favorite points.
