SCOTTISH ALL STARS

Brief Sketches of Famous Soccer-ists who will be in Prince Rupert

The following brief sketches of some of the members of the Scottish all star football team which will tour Canada and visit Prince Rupert will prove of interest to local soccer enthusiasts:

Graig Brown—Centre half back of the Motherwell Club, who came into the team when Cringan, the Celtic star, was forced to withdraw. Is credited with being a "team in himself" by Old Country experts.

John Marshall—One of the two players from English clubs expected to tour with the Scottish team. Plays for Middlesborough and is credited by "Bedouin" as being the great right back of modern times. Starred in recent international.

James Gordon—Captained Scotland's team on several occasions. Formerly starred for Rangers, but has been performing for Dunfermline Athletic during the current season. Probably the most versatile player in Britain. Starred in recent international.

Alex. Bennett—Albion fover, one of the finest and neatest dribblers playing the game in Scotland. Made his reputation while a member of the Glasgow Rangers.

Alex. Troup—Dundee youngster who has been the sensation of the football season. He has been the star performer for the Dens Park outfit, but reached the pinnacle of fame when he featured a recent international game. Is "slippery as an eel."

Jimmy Quinn—On retired list. Gained fame as centre forward for Celtic and Scotland. Of the aggressive, bustling type, he packed a wicked shot. Probably the best centre Scotland has produced. May play here occasionally.

James McMenemy—The dandy little inside winger, who contributed much to the success of Partick Thistle in the recent Scottish Cup series. Formerly played for Celtic and was frequently capped for Scotland. Known as the "Napoleon of Football."

Paddy Crossan—No Scottish team would be complete without one member from Edinburgh. "Auld Reekie's" representative is Paddy Crossan, a back of the first water, rugged as he looks, but a veritable stone wall in the pinch. Possesses a powerful kick.

Alex. McNair—Veteran right back of the Glasgow Celtic, hero of many international battles and considered one of the "brainiest" defence men playing the game in the Old Country. Of the "old war-horse" variety. Never beaten!

Jimmy Brownlie—Famous goal-keeper, who can be classed as a veteran. Has been faithful custodian for Third Lanark for many years, and has seen much service in international matches. One of the best exponents of last-line defence in the world—"Daddy of them all."

ELKS WINNERS OVER RED SOX YESTERDAY
Managed to Get Break of Luck and Had 12 to 8 End of Eighth.

The Elks managed to get the break of the luck in the baseball game with the Red Sox yesterday afternoon and emerged winners at the end of the eighth inning, when the game was called, by a score of 12 to 8. In the fourth inning Vic Menzie, for the Elks, made a home run which brought in three runs for the side. Bob Frizzell, catcher for the Red Sox, injured his finger in the course of the game and his team had some difficulty in filling his place to satisfaction, his absence further lessening the chances of the Sox.

E. A. Donohoe and E. Laporte were the umpires and the batteries were Shaw and Valpey for the Elks and Frizzell and Astori for the Red Sox.

Sport Chat

Tomorrow is May 24, Victoria Day, and everybody, including the Daily News staff, is going to take a holiday. The sport card for the day includes a football match between S.O.F. vs. G.W.V.A. as well as the baseball game between the Elks and Sons of Canada. This will keep the fans occupied in the afternoon and then in the evening there will be the dance by the Wallace Football Club. In spite of the fact that this Victoria Day is going to be a little quieter than usual there should be lots of fun just the same.

And cheer up, kiddies! You have not been forgotten for your old friend Chief Vickers was out today with his paper and pencil and he mustered up a nice lot of prizes for a program of children's races over which he will preside up the hill tomorrow some time soon after noon. He will be assisted by Joe Howe, another of your good friends. Both of them want everybody to turn out and they promise a good list of races and some fine prizes.

Here's a good word for Billy Vickers. For twelve years now he has been attending to the youngsters' sports on Victoria Day, May 24, and has proven himself one of the best friends the kiddies have. Not like the police chief you're used to seeing in picture books chasing little boys and girls, we'll say he isn't. On Thursday afternoon we bet he'll have his name in the "Ten Years Ago" column telling about his being out with a sheaf of programs and a pink ribbon looking after children's races then and we also hope that ten years from now, and then some, we'll be able to tell a similar story.

The England vs. Scotland international football game which was to have been played tomorrow afternoon has been cancelled owing to the difficulty of raising a team to represent Scotland, but the officers of the Prince Rupert Football Association have made arrangements to have the Sons of England and Great War Veterans play an exhibition game instead. This will take place immediately after the Elks-Sons of Canada baseball game—about 3.30. It is expected that another good game will thus be put up. W. McGulloch will referee. The G.W.V.A. band is in attendance at both baseball and football games.
