SONS OF CANADA ADVANCE AGAIN

Defeated Sons of England in Gil-
huly Cup Semi-Final Last
Night—4 to 2.

The Sons of Canada eliminated the Sons of England from the Gilhuly Cup series last night in the semi-final by defeating them in a rather listless game by a score of 4 to 2. There was a good crowd of spectators in attendance but it was a quieter game than usual and excitement did not seem to become worked up until the second half. Play was fairly even throughout but the best team won mainly through the merits of its forward line.

The Canucks played up-hill during the first half and scored three goals in this period through Moffat, Swan and Robinson. One of the Sons of England scores was made by V. Menzies, a Sons of Canada bar, while H. Fanthorpe made the other goal for his side. At half time the score was 3 to 2, Dobbig in the second half, scoring the last goal for the Sons of Canada.

The teams lined up as follows: Sons of Canada—Thompson; V. Menzies and H. Menzies; Anderson, Shakespeare, and J. Mitchell; Robinson, Swan, Moffat, Clarke and Lane.

Sons of England—Button; Darton and Wearmouth; Mansel, Kelsey and Ed. Craggs; Fanthorpe, Tinker, Lambie, Fanthorpe and Farquhar.

W. McCulloch was referee and S. Butters and George Wadell were the linesmen.

Telkwa Barbecue on Monday Will be Classic Event of Season in Bulkley Valley

All the residents of the Bulkley Valley and good representations from along the line of the Canadian National Railway between Prince Rupert and Prince George are commencing to foregather for the season's classic event of the Central Interior, the Telkwa Barbecue. Indications point to the fact that the attendance will be the largest and most representative yet, and the population of the thriving little town at the confluence of the Bulkley and Telkwa rivers for the day will likely figure in the thousands.

Sport Chat

Tonight there will likely be one of the most notable gatherings of local athletes in the history of the city at the Sons of Canada banquet. Great preparations have been made and the event is being looked forward to with a good deal of enthusiasm. The attendance will not be confined to Sons of Canada or their supporters but all the teams in the various senior leagues will, it is expected, be represented. The Sons, glorying in the fruits of a successful season, are going to show how good hosts they can be. Aid, S. E. Parker will be toastmaster and the committee comprises W. E. Thompson, Jack Beatty and George Johnston. It is not likely that there will be one of the 150 seats unoccupied.

Both young and old athletes in the city are now beginning to think of the winter season and its activities. Basketball will, of course, be the main sport which will engage them all and there is every reason to believe that there will be more leagues than ever providing games for every evening. When the Fair is over the Agricultural Hall will again be put in readiness and it is likely that it will be kept working overtime accommodating the leagues. One may expect that the various teams which played baseball and football during the summer will be lining up for basketball and probably be augmented with others. There will be at least four leagues—Senior, Intermediate, Junior and Juvenile.

Leave Tomorrow.

Prince Rupert people should remember that if they are going to the Barbecue they will have to go on tomorrow morning's train as Monday's does not reach there until late in the evening when everything will be over with the exception of the big dance. Quite a few, it is understood, are going for this is not a better opportunity than this to see the people of the Bulkley and find out what they are doing and the great strides that have been made in the country in the past few years.

Awaiting Final arrangements
Regarding Baseball.

Ben Self this morning received a letter from Anyox stating that they are anxious to bring a billiard team to play a Prince Rupert team here during Fair week.

They also stated that they were anxiously awaiting the making of definite arrangements for their ball team to play at Prince Rupert in the elimination contest during Fair week.

The Sports committee of the Fair will meet this afternoon at 4 o'clock to consider these matters and arrive at a definite decision.
