TENDER SKINS & SORE HANDS

KEEN winds make the skin harsh and rough. Lips get sore; hands crack and chap; faces itch and smart and "break out" into those blotchy eruptions known as winter eczema.

To restore the skin to a clear, healthy flexibility there's nothing like Zam-Buk. Rub it into the face, arms and wrists at night—let it work while you sleep.

Zam-Buk's refined herbal essences soak into, and purify the tissues. They soothe irritation and smarting pain; heal raw sore surfaces and prevent "infection" of the broken skin.

Cold-creams with no medicinal value, or coarse fatty ointments, are powerless to give you the clear healthy skin you desire. You need Zam-Buk the most soothing and successful skin remedy ever discovered.

Also a wonderful healer for Burns, Scalds, Cuts and all Sores, Wounds and injuries. Of chemists, 50c. per box or direct from Zam-Buk Co., Dupont St., Toronto. Trial sample 1c. stamp.

KNITTING CRAZE IN VIENNA TODAY

Red Cross Commisioner Organizes Band Which Spread to Hundred Thousand

VIENNA, Jan. 15.—In Vienna there is as great a craze now for knitting as there was in England during the war. This revival is due to Major Bateman, the American Red Cross Commissioner, because it was cheaper for America to furnish wool than to furnish garments for the people of Austria. He organized a band of "Volunteer Knitters" whose number has now grown to 20,000 women and 100,000 children. The yarn with which they work is furnished free and the finished garments, most of which are for the smallest children, are distributed through American organizations.

Austrian women invented the so-called "continental" method of knitting, which is said to be faster than any other and involves fewer motions, the familiar click of the needles, for instance, being entirely absent. They claim to be the best knitters in the world and have already turned out thousands of garments, using up the wool faster than it can be supplied.

BENNY LEONARD IS THE BETTER BOXER

Knocks Out Ritchie Mitchell in the Sixth Round Last Night.

NEW YORK, Jan. 15.—Benny Leonard is still the champion. Last night he fought Ritchie Mitchell in a bout that was to go fifteen rounds for the lightweight championship, but knocked him out in the sixth.

SERUM TO PREVENT FOOT AND MOUTH DISEASE IN CATTLE

PARIS, Jan. 14.—A serum for the prevention of foot and mouth disease in cattle has been discovered by a commission of French experts, but it is impossible at the present time to manufacture it in sufficient quantities to inoculate all cattle against the plague.

Foot and mouth disease is a plague which attacks the best young cattle in a herd. There seems to be no cure and the animals die in large numbers during a season when food is plentiful and they are thriving well. It attacks one limb, usually, and for that reason is called quarter evil.

TO DELIVER ADDRESS IN INDIAN BEFORE CANADIAN CAMP CLUB

PORT ARTHUR, Ont., Jan. 15—New York is noted the world over for its "stunts." Not long ago a party of sportsmen attempted to arrange a banquet for the famous race horse "Man o' War," but the owner declined. The latest and probably one of the most unique in the history of New York's fashionable hotels is to be staged by a Port Arthur man, Neil McDougall.

Mr. McDougall, who is sportsmen's representative of the Canadian National Railway, will deliver a fifteen minute address to the members of the Canadian Camp Club at the Hotel Astor on February 18 in Indian language. Mr. McDougall is reputed to be a fluent speaker of Indian and his fame has apparently been carried as far as the American metropolis. Referring to the event "Neil" said: "The New York newspapermen are credited with being among the cleverest in the world, but they will have to go some to 'cover' my address verbatim."
