

National Chorus CONDUCTOR

Dr. Albert Ham, of Toronto, conductor of the famous National Chorus, says, "PEPs are excellent, and you are at liberty to publish this expression of my opinion."

Madam Clara Butt, writing on behalf of herself and husband, Mr. Kennerley Rumford, says, "We have formed the very highest opinion of PEPs after using them regularly for some considerable time. They are quite unique in their invigorating effect upon the throat and chest."

PEPs strike directly at the seat of lung and throat troubles. As they dissolve, they release rich, healing pine fumes, which are breathed down right to the lungs. Cough mixtures, syrups, etc., only go to the stomach.

For hoarseness, sore throat, coughs, colds, bronchitis, asthma and all ailments of the throat, chest, and lungs, PEPs are best. Sold in tin boxes, 50c. box, all drugists and stores, or postpaid from PEPs Co., Toronto, Winnipeg, or Montreal.
