Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

MANY LINES OFF MARKET

Preserving and Pickling Season About Over—Turkeys Here at Reasonable Price

A number of lines of seasonal fresh fruits and vegetables have made their disappearance from the local retail market and the season for preserving and pickling is now about over. Concord grapes, pears and crab apples are, however, still in and housewives are being advised to purchase their supplies of Concord grapes without further delay while the quality is still good and the supply plentiful.

First turkeys of the season are now here in readiness for Thanksgiving next Monday. The price is 35c per pound which is lower than usual for the opening.

Retail prices current here at present are as follows:

Secure Cash During Hard Times

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Daily News Want Ads.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.
