Head and Nostrils Clogged Up.

Could Hardly Breathe

When you become all choked up and stuffed up with a cold your head becomes thick, the nostrils become so clogged up you can hardly breathe, a feeling of weight or oppression in the chest and the cough raps and tears your lungs and bronchial tubes.

This is the time to take

DR. WOOD'S

NORWAY PINE SYRUP

before things get to be too serious. There is no remedy so equal to clearing up the cold, making the breathing easy, loosening the phlegm and soothing and healing the lungs and bronchial tubes.

Mrs. Edward Kinade, 60 Bryden St., St. John's, N. B., writes: "I wish to express my hearty thanks to your valuable remedy Dr. Wood's Norway Pine Syrup and what good it did me. Last fall I contracted a severe cold, the like I never had, my head and nostrils were so clogged up I could get no vent, and could scarcely get my breath. I tried remedy after remedy until at last I thought I would try 'Dr. Wood's.' After the first dose I felt relief, and by the time the bottle was finished I was all better. I will always keep it in the house."

Price, 35c and 60c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.
