SEATTLE GETS HOCKEY GAME

VICTORIA, Jan. 28.—Seattle staged a whirlwind comeback and shut out Victoria by a score of four to nothing in their game here last night, bringing themselves from the deep cellar to within one point of Vancouver and two points of Victoria in the league standing.

WAR VETERANS GAVE SONS OF ENGLAND BAD BEATING BILLIARDS

Fred. Roberge, of the Great War Veterans, defeated Tom Silversides, of the Sons of England, in the final game of the tournament between the two clubs last night by a score of 200 to 103. In the entire tournament the Great War Veterans made 4138 points to the Sons of England, the latter team having won only one of the six games. Incidentally, the Englishmen take cellar position in the standing giving place to the successful team in this week's tournament. The standing of the club to date is as follows:

Club	Pts.	Av.

ONE MORE WIN MADE BY ELKS

Telephone Girls Gave Surprise of Evening Last Night Defeating Maple Leafs at Basketball.

Elks, 34; Sons of Canada, 22. Telephone Girls, 8; Maple Leafs, 4.
 Meteors, 20; Checkers, 3.

A Senior League game and two Ladies' League matches were served up to the basketball fans at Agricultural Hall last evening. In the former, the Elks were again successful in defeating the Sons of Canada and have now at least assured themselves of a play-off for the Gihluly Cup at the end of the season. One more win will give the trophy to them outright. The teams meet again on Friday next in a league fixture. The score last night was 34 to 22 and was made as follows:
 Elks—C. C. Clementson, 25; W. R. Martin, C. Dickenson, 2; E. J. Smith, 2; A. A. Esson, 2—31.
 Sons of Canada—L. V. Lane, 4; H. B. Scott, 2; H. Menzies, W. G. Anderson, 14; C. M. Blythe, 2—21.
The Surprise.
 The surprise of the evening came in the Ladies' League game between the Maple Leafs and the Telephone Girls which was won by the latter, 8 to 4. It was the first defeat of the season for the lady proteges of the Sons of Canada. The scoring was as follows:
 Telephone Girls—Mrs. E. Young, 2; Miss G. Johnstone, Mrs. F. McDaniels, 1; Mrs. M. Sherman, 5; Mrs. F. Large, 8.
 Maple Leafs—Miss M. Harvey, Miss L. Fisher, Miss M. Graham, 1; Miss C. Calderone, Miss A. Stephens—4.
Meteors Win.
 The Meteors won from the Checkers easily by a score of 20 to 3 and their victory together with the loss of the Maple Leafs put them temporarily at least at the head of the League:
 Meteors—Miss M. Sims, Miss P. Tremayne, Miss A. Kelly, 8; Miss L. Parker, 8; Miss V. Shockley, 4—20.
 Checkers—Mrs. T. Moloney, 1; Miss R. Moloney, Miss W. Dyer, 2; Miss F. Ryan and Mrs. D. Derrington—3.
 E. A. Mann refereed the Senior League game and W. E. Willisoff the two ladies' games.

Standing of Clubs.

Sport Chat

In the hockey game between Anyox and Alice Arm, played last Sunday at Alice Arm, everything happened in the second period. In the first period but one score had been tallied, that one by Downs for Anyox, but when the hard-worked scorekeeper had a chance to catch up and tally the courts for the second period was shown to be a sum total of six goals, five for Anyox and a single one for Alice Arm. In the third period both sides played to win, but there was only one score, that for Alice Arm made by Al Falconer. Anyox thus had a 6 to 2 victory.

The Anyox six were in fine fettle and put up one of the best games they have played this season. They had speed, team work, and showed good stickhandling—a combination that wins games. The outstanding players were Downs, Carlson and McGammon. The Alice Arm players seemed to have trouble in getting the old machine to make a continuous run in high gear. There was also a lack of team play among them. Oatman and Bruggy, in goal were in the stellar roles for their sides. With the exception of the fatal second period, the teams seemed to be pretty evenly matched and there was great defence work on either side.

The summary of the game was as follows: First period—Downs, open shot from centre. Second period—T. Wilson, scrimmage shot; Al Falconer (Alice Arm), left wing shot; Carlson, side shot; Downs, left wing shot; Downs, centre shot. Third period—Al Falconer, left wing shot. The teams lined up as follows: Alice Arm—Bruggy, Oatman, T. Falconer, Ross, A. Falconer and Cameron. Anyox—Waterman, B. Wilson, T. Willison, Carlson, McGammon and Downs.

The party of Alice Arm veterans who for the past four years have kept baseball going in the silver camp are forming the backbone of the hockey team this winter. They are older men than the Anyox bunch and have experience to pit against youth. They are skillful players and some of them have seen hockey action in good company. Such players as Al Falconer, Dooley Falconer, George Bruggy and Bert Kergin have given long and good service in

ECZEMA ON FACE AND HANDS for Five Years
 Eczema or salt rheum, as it is so often called, manifests itself in little round pimples which contain an extremely irritating fluid. These break and subsequently a crust of scale is formed and the intense burning, itching and smarting, especially at night or when the part is exposed to a strong heat, is almost unbearable and relief is gladly welcomed. There is only one way to get relief and no remedy like **BURDOCK BLOOD BITTERS**. Take it internally and it gets at the seat of the disease in the blood and drives it out of the system. Apply it externally and it takes out the itching, stinging and burning, and promotes healthy healing.
 Mr. J. Sage, 245 Princess Ave., Vancouver, B. C., writes:—“Having suffered with eczema on the face and head for the last five years, I consulted several doctors, and tried various kinds of salves and lotions, but I derived no benefit from any of them. I did not know what to do until a friend advised me to try Burdock Blood Bitters, and after I had used two bottles I began to get better and now after taking eight bottles I have not even a blotch on me. I feel that I cannot praise B. B. B. too highly. I hope you will make full use of this recommendation for the benefit of those who are suffering from this terrible complaint, eczema.”

SUPPORT THE TEAM.
 Sporting Editor Daily News:—Last night the Elks sent out a clarion call to their supporters and managed to secure a baker's dozen fans who went to watch the basketball between their team and the Sons of Canada at the Exhibition building last night. What they lacked in numbers they made up for in noise for they took all the noise-making instruments with them they could find. Their team won and they were justified in making a noise.
 Next Friday night they will be another match between these two teams and if the Elks win they will win the championship of the league. If they lose the Sons of Canada will have a chance of taking the honors.
 Now, sir, I am writing this to ask all members of the Sons of Canada and native born Canadians, young and old, male and female, to turn out and boost for their team next Friday night and show support for our lads. This may be the last senior game of the season and we must show the men we are with them. The game starts soon after 8 o'clock and our team expect to win. If they do, they should be encouraged and with about a hundred good sons and daughters of Canada there to cheer them on, the victory would be a real triumph. The boys can play better if they have some support.

WHAT'S IN A NAME?
 In this case, it means that you are unusually qualified to take care of the linen entrusted to you for laundering.
 Being a member of the Laundryowner's National Association and having at our disposal the expert advice of the Mellon Institute of Industrial Research, Pittsburgh, Pa., we make this claim with the full knowledge that we are up to date in every particular of our business. The institute has one of the largest and best equipped laboratories in the world for the purpose of scientific research, and the National Association has seen fit to establish therein their department of Chemical Engineering. From this source bulletins are issued to us regularly, giving the results of numerous scientific experiments with supplies and methods, and advising us of the very best known methods for laundering without injury to the fabric.
 Experiments and tests are continually carried on, always with the conservation of the material uppermost in the minds of the scientists, and no formula or cleansing agent is tolerated for use unless it conforms strictly to their standard.
 Don't you think a name means something after all?
 Also, don't you think we are better qualified to take care of your laundering than those who do not have the benefit of our expert advice? We ask you to consider this when you are about to send out your next bundle of laundry.
 A phone call will place us at your disposal.
