VARIETY

is the spice of life

We find the same demand for variety even in Apples. No matter how good or how popular certain Apples are, in their respective seasons, we find a certain percentage of the public who want some other line. Possibly they want a different colored apple or a different taste.

However it is not for us to decide.

At any rate we have found an apple of a different color and also of a different taste. Try a box of

Grimes Golden Apples

See this line in our store and taste it, we know you will agree that it is a winner. The price is very reasonable.

CHANGE SITE FOR THE RINK

Anyox People Find the Cost of Making it at Tennis Court Too Heavy

ANYOX, Oct. 29.—At the meeting of the Anyox Community League council it was decided to abandon the attempt to make a skating rink at the tennis courts as the steam pipes there would have to be removed before it could be made and the cost would be \$2,000 instead of \$915 as at first reported. Another site it is expected will be selected. The report of added cost was brought in by Councillor Cowley.

In connection with Dean Quainton's lecture it was decided on motion of Councillors Armour and Lowry that the entire receipts amounting to \$51 be given to the Dean.

Councillor Resigns

The resignation of George Warwick was read, the councillor stating that he could not give the proper time to the league business. On the motion of Councillors Lowry and Noel, this resignation was accepted. Councillor Armour, speaking on the motion, said he was sorry to vote in favor of this resolution as Mr. Warwick had been one of the best working councillors the league had. He paid a tribute to his past record.

Councillor Rowley was appointed chairman of the Forum Dept. to succeed Mr. Warwick.

The Elks' Social Committee had made application for the Recreation Hall for Nov. 15, and as the hall was not in use for this night, this date was sanctioned.

Anyox Service Association asked to have the use of the league decorations, the request being made by Jerry Macintyre. The request was granted.

Bridge and Cribbage

The question of bridge and cribbage parties was brought up by Mr. Rowley, and on the suggestion of Councillor Armour that a committee be formed, Councillors Eidleman Noel and Lowry were appointed to go into this matter, the ladies' rest room or the library being suggested as suitable places to hold these parties.
