A report from the house committee recommending that repairs be made to the tar and gravel roof and the iron tower of the hospital which are now in bad condition was adopted by the hospital board last night.

W. Blane, of the Water Rights Branch of the Provincial Government, who has been in the city for the last day or two with a party of surveyors, has outfitted for a survey trip to the Naas district and left today for the north.

President Stewart, of the Hospital Board, reported at last night's meeting that Hospital Day had been duly observed at the institution but the attendance had been small. Ministers had come, however, and had conducted services.

Mrs. S. Darton inquired at last night's hospital board meeting how the collector of hospital accounts was progressing. Major Gibson said that not much success had been met with long outstanding accounts but not much had been expected. It would probably be easier collecting more recent bills.

The power schooner Lady Mine was offered for sale by auction at Vancouver this week by Sheriff Macdonald but no one would raise the reserve bid of \$5,000 so the sale is deferred till next week. There are wage claims against the little vessel, which is well known here, amounting to some \$1,000.

At last night's hospital board meeting Mrs. S. Darton, of the Ladies' Auxiliary, reported that the recent graduating exercises for Miss F. Fraser had cost \$33.35 out of the \$50 granted by the board. The difference was refunded and Mrs. Darton was thanked for the success of the auxiliary in keeping expenses down.

The regular monthly meeting of the hospital board was held last night in the city council chamber. There were present: D. G. Stewart, president; Ald. R. A. McLeod and Ald. Theo. Collart, M. J. McNeill, Mrs. Darton, W. E. Collison, Dr. J. P. Cade, J. Lorne MacLaren, Dr. L. W. Kerwin and Major G. E. Gibson, secretary.

Applications from S. G. Webb and S. K. Campbell for membership in the Prince Rupert General Hospital Association were received and accepted at the board meeting last night. The necessary fees of \$5 each were remitted. In answer to a question by Mrs. S. Darton, President Stewart said that a drive for further members was to be instituted.

### VICTORIA DAY CELEBRATION

Elks Are Preparing Great Program of Fun and Amusement

Wednesday, May 24, Empire Day, will be a day to be remembered for all time by the men, women and children of Prince Rupert. It will be a day of delight to everyone in spite of what the "weather man" cares to do about it, for the Elks are leaving so stone unturned to make the enjoyment of it a milestone of joy in the history of the city. The entire Exhibition building and Acropolis Hill grounds have been taken over for the staging of the many events. Should the weather prove inclement the entire programme will be staged in the Exhibition building. There will not be a dull moment on Victoria Day from 9 a.m. till midnight.

The monetary proceeds of the day will be devoted to the Boy Scout and the Girl Guide movement for summer camping purposes and this fact in itself will undoubtedly assure the financial success of the undertaking. The Greenville native band have been engaged for the entire day so that music lovers will be excellently catered for.

**Public Parade**  
Promptly at 9 a.m. there will be a public parade from the Elks Home on Third Avenue, headed by the Greenville prize band, to the Exhibition grounds. This parade will be well worth witnessing.

The children's sports will commence at 9.15 a.m. and will terminate at 11 o'clock. Nothing has been forgotten that will be of interest to the little ones.

From 11 o'clock until noon an intermediate baseball game will be played between the Sons of Canada and the Elks.

A football game—England and Scotland vs. Ireland and Canada will be played between 1 p.m. and 2.30 p.m. The players will be selected from the best football talent available in the city and the event augurs to be one of the most interesting games of the season.

A band concert, by the Greenville native band, and a drill exhibition by the Boy Scouts will be given between 2.30 and 3.30 p.m. The Scouts have been put through a special course of instruction for this display and will doubtless give a good account of themselves.

### Senior Baseball

A senior baseball game between 3.30 and 5.30 p.m. will be played between the Sons of Canada and the Elks. The teams will be composed of the acme of baseball talent and the game will perhaps be the tit-bit of the sporting events.

In the exhibition building a carnival will be in full swing for the whole of the day consisting of booths of many characters, novelty games, and other attractions too numerous to mention.

In the evening from 7.30 to 9.00 p.m. in addition to the carnival, there will be a band concert and an exhibition by the Girl Guides. From accounts to hand of the Girl Guides rehearsals their exhibition will be undoubtedly par excellence.

At 9 p.m. there will be a Serpentine dance in the Exhibition building, with colored streamers and multi-colored spotlights much in evidence. This will be a befitting climax to a colossal riot of fun and amusement.

Light lunches and refreshments will be served all day by the ladies of the Royal Purple and the Girl Guides.
