ARABS ARE PLEASED AT HOUSE OF LORDS BUT ZIONISTS OBJECT

JERUSALEM, Aug. 1.—The in-
habitants of Palestine, both Mos-
lem and Christian, are immeasur-
ably pleased that the British
House of Lords recently passed a
motion disapproving the Balfour
declaration of 1917. The native
press is jubilant; many pan-Arab
demonstrations have been held,
and the local cable office has
been swamped with congratula-
tory messages from Arabs to the
House of Lords.

The Balfour declaration pledg-
ed the erection of a Jewish home-
land in Palestine. The resolution
opposing it, which was passed by
a vote of 60 to 29, set forth that
"the mandate for Palestine in its
present form is unacceptable to
this House, because it directly
violates the pledges made by His
Majesty's government to the peo-
ple of Palestine in the declaration
of November, 1918, and is as pre-
sent framed opposed to the senti-
ments and wishes of the great
majority of the people of Pales-
tine, that, therefore, its accept-
ance by the Council of the League
of Nations should be postponed
until such modifications have
been effected therein as will
comply with pledges given by
His Majesty's government."

The Arabs regard this incident
as a great victory. "It is the
bounden duty," says an Arab call
to a demonstration of celebra-
tion, "of all of us to set forth
our gratitude to the House of
Lords for having proved to the
world that God and justice still
live in Great Britain."

The Zionists are correspond-
ingly disappointed. They have
cabled strong protests to London.
The chairman of the Zionist or-
ganization here said to the Asso-
ciated Press: "All our hopes have been shat-
tered on the rocks of political
expediency. If the House of
Commons follows the lead of the
House of Lords, then Jews of the
world will have been dealt a more
staggering blow than that admin-
istered by the Emperor Hadrian
1800 years ago, when his perse-
cutions brought about the last
dispersion of the Jewish race."

SOUNDS REASONABLE.

Indian Exchange—Aaron Col-
lins was hurt Saturday when a
tree fell on him. The tree was
about eight inches in diameter
and it is probable that his injuries
would have been more serious
had the tree been larger.

CATHOLIC UKRAINIANS PROTEST TO POPE AT ACTION OF GALICIANS

WINNIPEG, Aug. 2.—To pro-
test against the alleged oppres-
sion of the Catholic Ukrainians
by their Polish co-religionists in
Galicia, Winnipeg Ukrainians
will send a delegation to Pope
XI. at Rome in the near future.

The matter was discussed at
several meeting held by the mem-
bers of the Greek Catholic Church
recently, when it was decided a
committee should be sent to in-
terview the head of the church. It
was also agreed \$20,000 should be
raised, part of which should go
as "Peter's pence," and the re-
mainder to pay the expenses of
the delegation.

As a preliminary to the mission
to Rome, however, it was decided
a formal protest against the ac-
tion of the Poles should be lodged
with Archbishop Sinnott, head of
the Catholic archdiocese of Win-
nipeg. It is stated that complaints
will be made against the action of
French and Belgian Catholics in
Canada.

Dr. Alexander Sushka has been
engaged by the committee in
charge of the arrangements to
prepare the memorial to be pre-
sented to the pope.

EXAMINATION ODDITIES

Peculiar Answers Given to Ques-
tions by School Pupils

YORKTON, Sask. Aug. 2.—"The
most important breeds of cattle
are Holsteins and Philistines,"
was one of the many strange and
weird answers turned in during a
recent examination of Grade VIII,
pupils held here. Another pupil
had a grand idea of the granting
of the franchise to women by de-
claring: "The greatest reform of
the 19th century is women's vote,
if they know how to use them."
Confusion the subject of naval
and land battles resulted in this
one: "At Vimy Ridge the navy
did great fighting."

The following are some more
of the peculiar answers that the
inspectors had to deal with:

If you have adenoids rub them
with goose oil and tie a rag
around them.

Sir Walter Scott was a member
