Had Bad Pains in Her Heart

Nerves were very bad

Mrs. John Case, R. R. No. 4, St. Catharines, Ont., writes:—"I wish to say that I have been bothered very much with my heart and nerves. I doctored with two different doctors, but did not find much relief. I would have such bad pains in my heart, at times, I would be almost afraid to move or breathe, and at night could not sleep. If the pains in my heart were gone, my nerves would be so bad I could not be still and would only get a little sleep by being tired out. My stomach was also very bad and I could eat but very little, and then only certain things or I would have so much distress which always made my heart worse."

I had been suffering for nearly two years until one day I was talking to our druggist about the way I felt. He advised me to give Milburn's Heart and Nerve Pills a trial. I have now taken five boxes and am feeling so much better, I am able to do my own work, and can eat anything I wish. I cannot praise

Rose, Cowan & Latta Co. was last night awarded the contract by the city council for the printing of the 1923 voters' list, their bid being \$263.30. McRae Bros. tender was \$265.50. The book is to contain 2418 names, will consist of 10 pages and 200 copies are to be supplied.

H. Smith, cemetery caretaker, protested to the city council last night at having to exhumate bodies without extra pay. He pointed out that the city received \$25 for each exhumation so he felt that he was entitled to something. The matter was referred to the cemetery committee.

A temporary loan bylaw to provide for the borrowing of \$30,000 additional to cover the Section 1 local improvement street surfacing work for which \$70,000 has already been provided was put through its first and second readings and committee stage by the city council last night.

One tender for the supply of lumber to be used on the new Fourth and Fifth Avenue West sidewalks was received by the city council last night. It was decided to lay it over unopened pending the arrival of more tenders. The city engineer reported that the lumber was not needed immediately.

Mayor Rochester is to again write to the Board of Railway Commissioners regarding the application recently made by the city for a level crossing across the G.T.P. tracks at Hays Cove. This was decided upon at last night's council meeting when, in answer to Ald. McLeod, the mayor reported that no reply had been received to the original application made some months ago.

Two offers for the purchase of the Cletrac tractor for which the city has no further use were received by the council last night. One was made by F. J. Beale, of Ocean Falls, who offered \$600 cash; the other from the Lakeside Lumber Co., \$1,000 to be paid in lumber at \$24 per thousand. The council rejected both offers and instructed the city clerk to write to the bidders explaining that the tractor was in good order and that a minimum valuation of \$1500 had been placed on it.
