Miss Dorothy Tremayne, daughter of Dr. and Mrs. H. E. Tremayne, returned to town yesterday afternoon after having spent several weeks visiting in Vancouver and Victoria.

Mr. and Mrs. W. Johncox arrived yesterday on the Princess Mary from the south and will spend a few weeks here visiting with Mr. and Mrs. William Shrubbsall. Mr. Johncox is manager of the London Fisheries at Vancouver.

A letter from the Inter Trade Organization of Canada asking the support of the city of Prince Rupert in its work and appointing the mayor honorary member for this place was received by the council last night and laid on the table for a week.

The board of works reported to the city council last night that the only way in which C. H. Orme and D. M. Peyton could get an extension of the roadway for which they asked in Westview was under the local improvement plan. A petition will have to be presented therefore.

The Rotary Clubs of America are advertising Prince Rupert as one of the points to be visited in connection with the tour of District number three for those who attend the big Rotary Convention at Los Angeles June 5 to 9. It is understood that several hundred will return by this route.

A letter from the Great War Veterans' Association asking that plots be reserved at Fairview Cemetery for the exclusive burial of returned men was last night referred by the city council to the Cemetery committee. A grant of two plots was made some time ago to the Association but one of these has been used otherwise by the city.

I wish to thank all my friends very sincerely for their continued patronage of my store during past years. From March 1 (Wednesday) the business will be continued as Frizzell's Limited at the old stand on Third Avenue next to the Royal Hotel. I respectfully solicit the continuation of your esteemed support.

A circular letter from J. R. Good, selling forth the advantages of a new style of metal culverts was received by the city council last night and referred to the Board of Works.

Tenders for the supplying of reading room literature for 1922 were opened by the council last night. McRae Bros. tendered \$212 and W. W. Wrathall \$249.75. The lowest tender was accepted.

A petition from George Leek and fourteen others asking for a sidewalk on Fourteenth Street from Alpin to Second Avenue in Westview was presented to the council last night and referred to the Board of Works for report.

James Lambie and 14 others have presented a petition to the city council asking for a 16 foot plank roadway on Alfred Street from Hays Cove Avenue to Tenth Avenue. The matter has been referred to the Board of Works for report.

A report from the Utilities Committee recommending that tenders be called for the hospital ambulance was adopted by the city council last night. The city will pay for the ambulance and the Hospital Board will be responsible for its operation.

The Dominion government lighthouse tender Newington, Captain Bilton, reached port at the weekend from Victoria where she underwent annual overhaul. The steamer is now already ready for the summer work with practically the same crew which manned her last season.

A letter from James Postulo asking that sewer connection be given on First Avenue West to the Grandview Hotel and two new residences that he proposes to erect there was referred by the council to the Board of Works last night. Mr. Postulo also wants an alley way and offers to give roof from the excavation of his lots to the city.

The report of the board of works regarding the temporary installation of a city water pipe to Cow Bay has been laid on the table by the city council until the provincial government district engineer is conferred with in regard to ascertaining when the government intends to carry on its permanent program there. It is understood that when this is done the government will put in a main of its own.

A claim of \$50 expenses as a result of injuries sustained by his wife and baby when they fell on a defective plank on the sidewalk on Sixth Avenue between Fulton street and the Methodist Church was received by the city council from H. R. Hill last night. The matter was referred to the city solicitor for report. It was reported that the condition of the sidewalk in question had never been brought officially before the council.

An application from D. Gibb for consideration as a result of the water pipes in his house having broken when a city water main froze was received by the council last night and the report of the Board of Works that no action could be taken on the matter was adopted. Ald. Kerr stated that there had been three or four applications of a similar nature and it was the desire of the Board of Works that the council take the stand that the city cannot be responsible unless the city engineer is notified. People have been calling up plumbers to repair the damages and then sought to have the city pay the bills.
