PERMIT FOR CHANGE IN MODERN STORES

Universal Trading Co. Start Work on Improvements to Premises.

J. L. Blain, contractor, has taken out a \$500 building permit for repairs to be executed at the Helgerson Block, Third Avenue and Sixth Street, for the Universal Trading Co. and the Prince Rupert Table Supply.

A new double window entrance is under construction which when completed will give this store a completely modern appearance and will enable the display of goods to a greater advantage than hitherto. The new entrance off Third Avenue will be a duplicate of the existing entrance, with larger window display space.

The entrance from the corner of Sixth Street and Third Avenue to the Rupert Table Supply Company basement is being remodelled and with the changing of the angle of the existing doorway it will permit of more floor and window space in the men's department of the Universal Trading Co. This entrance will lead entirely to the grocery department downstairs.

When the work is completed, which it is expected will be by the week-end, the Rupert Table Supply Co. will have one main entrance, while the Universal Trading Co. will have two double front entrances. The improvements are in the hands of Leo Blain.

receiving \$475 now where ten years ago he had received \$200. Instead of a reduction he asked for an increase to \$225.

Sid Reith said that he had been in the service of the city for three years and was receiving the same salary now as when he started, namely \$125 per month.

Henry Smith said he had been cemetery caretaker for seven years. He was one of the worst paid of the city employees and there had never been a complaint against him. The cut would leave him with a salary of \$125. He had recently taken on the supervision of city relief work and had been given no increase.

Aldermen's Views

Ald. Montgomery thought the employees were entitled to fair consideration. He would favor a board of arbitration.

Ald. Colhart thought the council should stand by its report. Wages were being cut generally.

Ald. Kelly thought that the city should endeavor to keep its officials but the employees should not be privileged when all other workers were being reduced. He agreed to a Board of Arbitration but felt that a reduction was necessary.

Ald. McLeod said he was not in favor of a ten per cent cut. There might be a five per cent reduction and another five per cent reduction about September if conditions warranted it.

Ald. Silversides said the matter was not being approached properly. The city should confer with the heads of the departments.

Ald. Kerr said there was 30 days notice and, in the meantime, there might be a board of arbitration.

No Dismissals

Mayor Rochester said that a delegation of the employees had come to him. They had heard that there were to be dismissals. He had smiled at that for none had ever been contemplated. Any action that the council saw fit to take in regard to the whole matter would be suitable to him. All that had been proposed had been in the interests of economy and the city as a whole.

Ald. Perry said that it was his opinion the whole matter was out of order. There had been no vote in committee and no notice of motion. He moved that the Committee rise without reporting. Ald. McLeod, Ald. Kelly, Ald. Colhart, Ald. Silversides and Ald. Kerr against it. Ald. Dybbavn was not present.

The motion that the matter be laid over for a week and more consideration be given it in the meantime was then unanimously carried.
