

PRINCE RUPERT WINNERS SERIES

Defeated Anyox Yesterday Afternoon 6 to 5 with Sensational Ninth Inning Finish.

Prince Rupert's baseball team came through with the most sensational ninth inning rally of the season in the game with Anyox yesterday afternoon and touched Benny Fitzpatrick, the smelter town pitcher, and Jimmy Ferguson, their emergency substitute hurler, for six hits and four runs in the last half of the frame converting a 5 to 2 score against them into 6 to 5 victory and winning the third and deciding game of the Exhibition series. A quiet game almost to the last, a climax was provided for local fans that fairly made the excitement go sky high and caused the game to end with a bang, victory coming out of apparent defeat in such a manner as to make the match go down in baseball history of the season as the most sensational of the year.

Bunting Tactics. The visitors started out with bunting tactics which proved rather profitable for them and netted them a run in each of the first and second innings. B. Downs, the first Anyox man to bat, was walked by Eady. P. Brown was put out at first when Curtis, the local catcher, picked up his bunt. In the meantime Downs, a speedy base runner, had stolen second and made third, coming in when S. Moran made another bunt which got him to first and then to second on an error. Greenwell was put out at first after bunting and J. Ferguson struck out.

In the second inning, A. Sinclair singled as also did Mealy. Sinclair was caught at the home plate and Gorkle was put out after bunting. Mealy scored and Fitzpatrick was out bunting a foul on the last strike. In the last half of the second, Menzies started out for Prince Rupert with a three bagger to left field and the scoring chances looked good but the runner got no further, the Anyox bunt playing a tight field while Douglas struck out. Farquhar fouled out to Greenwell and Smith was put out on a left field fly.

Better Success. In the third the Prince Rupert field started to handle the Anyox bunters with better success though Downs got to first on his and stole second. Brown was put out bunting. Moran fouled out and Greenwell was put out at first on Eason's fielding.

In the fifth Gorkle got a single to left field. Fitzpatrick knocked an infield fly to Eady which was converted into a double play to Menzies catching Gorkle. Downs made first again and stole second but the side went down when Brown fanned. For Rupert, Douglas' singled and Farquhar walked. Smith was put out on a bunt and luck seemed to run against the locals again when Eady knocked a fly to centrefield which might well have been a hit but was caught by Mealy and doubled into second where Farquhar was caught.

In the seventh, Mealy poked out a single to left field but was

caught at third on a snappy double play when Eady fielded Gorkle who was put out at first, the ball then being crossed to third to catch Mealy there. Fitzpatrick struck out. The locals tied up the score in this inning. Anderson singled and got second on an error. Menzies overthrew to third in an attempt to get him there. Douglas got to first when Fitzpatrick dropped an infield fly. Farquhar was out on a second base fly. Smith singled to centre field and Eady did likewise scoring Douglas. Eason was put out at first.

Three in Eighth. The Anyox boys got three more runs in the eighth which made things look blue for the locals. Downs walked and stole second. Brown was put out at first on Eady's fielding. Moran singled scoring Downs and Greenwell was hit by the pitcher. J. Ferguson struck out and Sinclair singled. Anderson seemed to go to sleep on short and before the spectators knew what had happened Moran and Greenwell were romping home in quick succession before the slowly relayed ball. Mealy walked. Gorkle was put out when Jack Rathford made a pretty catch in right field and Sinclair died on bases.

Curtis, for Prince Rupert, was put out at first after Greenwell picked up a sizzling grounder. Rathford fled out to left field and Anderson struck out.

Big Recovery. Anyox went scoreless in the ninth and then came Rupert's big recovery. Menzies started the ball rolling with a safe single to left field, Douglas doing the same thing to right. Farquhar came through with a timely two bagger which scored Menzies and Douglas. Anyox pulled Fitzpatrick out of the box in a hurry and sent in Ferguson from right field where he was replaced by Sherman. It was no use, however, for Smith touched the new pitcher for a three bagger tying the score with Farquhar's run and Clark Eady came through with a safe single scoring Smith for the winning run before a single man had gone down.

Criticism of Players. Eady, the local pitcher, did not make as many strike-outs as in the first game but he was accorded very fair support in the field and held things safe throughout showing himself to be somewhat of a hitter as well as a pitcher. Curtis was in great form behind the bat and made his best showing of the series. Menzies spoiled his record at first with an error or two as did also Anderson at short and Farquhar at third. Eason was not taxed very hard and there was not much coming his way at second. The timely bunch of hits in the ninth was solely responsible for the local victory for, in justice to the

Anyox team, it must be said they played better ball than the locals for eight and one half innings. Any luck that was going, though, was certainly not with Prince Rupert.

P. Laporte was umpire of balls and strikes and James McAlen-an, bases.

The gate record shows that 390 persons paid admission to the game.

AEROPLANE DID GOOD BUSINESS YESTERDAY

Many Flights Made by Big Machine and Enjoyed by Those Going up

The aeroplane did good business yesterday, flights following each other in quick succession throughout the afternoon. Many of the parties were made up wholly or in part of ladies and they all expressed themselves as pleased with the experience.

While there are a good many intending to fly today, there is plenty of opportunity for everyone who wishes a spin.

Previous to yesterday only 40 people had been carried in the two days but yesterday wiped out the association's guarantee and by this evening they should be sharing in the profits under the agreement.

F. G. Dawson and Capt. Swanson have both been giving a lot of time and personal attention to the airplane arrangements with good effect.
