REPAIRED DAM AT SALT LAKES LAST NIGHT WITH CEMENT

Volunteer Party Headed by Geo. Frizzell Put in Reinforcement.

A volunteer party last night set to work and repaired the dam at the Salt Lake with a view to raising the water in the lake a couple of feet. The dam has been leaking badly so that it was practically useless. The upper part had been repaired previously but the water got beneath it and made it of no effect.

After dinner last evening George Frizzell and sons took over several sacks of cement in the Labadie and carried it on a truck all the way to the inner lake. After dark swimming work was commenced. A trench more than a foot deep was dug in front of the dam and this was filled with concrete mixed on the spot and it is the opinion of the workmen that it will prove effective.

Among those who took part in the work were in addition to George Frizzell, J. Day Bell, George Mitchell, Dan Hill, Howard and Douglas Frizzell, Shook, Mike Budenich and Ralph Smith. They completed the work about 11 o'clock.

Callies Win Coveted Dominion Day Cup by 2 to 1 Victory in Most Keenly Contested Match

Undoubtedly the big surprise of the local soccer season to date was the victory of the Callies over the Sons of Canada in the deferred Dominion Day cup football game last night by a score of 2 to 1. The Sons had taken the field with every confidence of winning and, to say the least, the Scottish hopes were not very high. It might be imagined that, as a result, there was great rejoicing in St. Andrew's circles while the Sons of Canada retreated to their quarters with disappointment, having lost the coveted trophy. Indeed, after the game was over, there were demonstrations of various kinds and the uproar might have been heard down town and in the vicinity of the St. Andrew's rooms on Fulton Street till the early hours of the morning. After a season of more or less misfortune and very few laurels, the Scots have at least, picked off one of the most keenly and interestingly contested trophies of the local soccer world.

The game was probably the best played football exhibition of the season. From start to finish, the play was very even and it was truly "anybody's game." A good crowd of fans were in attendance and they certainly got their money's worth.

First Half.

All the scoring was done in the first half. The Sons had the advantage of the grade and started the scoring 15 or 20 minutes after the opening with a long ground shot by Jimmie Marks which, brought the goal keeper of the Callies from the other end of the goal in an attempt to save. He reached it but it went through his hands. A few minutes after, Willie Mitchell made the Callies' initial score when he emerged unchecked from a scrimmage in front of the goal and shot the sphere through the corner of the net giving Scott no chance to keep it out.

The Scots' second score came from a penalty successfully negotiated by Kinghorn who again gave the Canadian goal keeper no chance. The Sons of Canada were also awarded a penalty which was taken by Harry Menzies with no result, the goal keeper tilting it over the bar.

The second half saw both teams on their toes and going to full speed. The play was up and down, first one end and then the other, neither side having anything like a monopoly of the play. Dave Scott, for the Callies, made a long drive from the right wing but Scott made an effective save. Eric Mackintosh cleared the ball past Harry Menzies and might have scored the third for the Scots but was stopped by the referee's whistle, having been fouled by Menzies. Ed. Ross and Harry Menzies were put off the field

shortly before the end when a dispute followed a foul.

How They Played.

The Callies were well served by all their players and it would be a difficult matter to choose the most effective. Willie Mitchell played a star game and was one of the most instrumental towards victory. The goal keeping of Bryce, of the Callies, who made his first appearance of the season was a feature. He seemed to have the happy faculty of clearing just at the right time and he saved the situation more than once.

Scott, in goal, W. G. Anderson, half back, and J. Marks, forward, were perhaps the stars of the Sons of Canada team. Woods, the Sons' new player, was in the forward line but did not show to any particular advantage there. On Harry Menzies being put off the field he went to the back where he excelled.

Officials and Players.

Dave Gay was referee and Sid Butters and George Kelsey, linesmen.

The teams lined up as follows:

Sons of Canada—H. B. Scott; H. Menzies and V. Menzies; W. G. Anderson, W. Davis and J. Mitchell; S. Marks, A. Woods, J. Marks, E. Warren and E. Tait.

Callies—T. Bryce; W. Murray and A. Kinghorn; J. Currie, Ed. Ross and George Abbott; D. Scott, W. Mitchell, E. Mackintosh, D. Main and George Selars.

A large number of swimmers were over at the Salt Lake last evening taking advantage of the daylight after dinner. The water was wonderfully warm and many spent an hour gambling in the water. There seemed to be a constant procession to and from the lake. It was pointed out by a number of those who were there that this would not have been possible were it not for the daylight saving ordinance. Nothing of the sort occurred last year.

Why not try a classified advertisement if you wish to buy or sell, rent or loan? It is the business barometer of the place.

BASEBALL AND MUSIC ANYOX

Smelter Beats Mine in Tight 2 to 1 Game—Sand Between Innings.

ANYOX, July 26.—Four hundred Anyox baseball fans had a treat on Friday evening last when the Mine and the Smelter battled for premier honors in the town league, the latter emerging victors from an eight inning game by a score of 2 to 1. A splendid game was seen and the presence of the new Anyox band which played selections made a splendid combination.

The teams were as follows:
Mine—Sinclair, 1b; Stan, Moran, 2b; Frank Mealey, 3b; Fred Brown, ss; Charles Shelton, lf; Carl Carlson, cf; McGammon, rf; Battery—Cecil Ferguson, pitcher, and George Corke, catcher.

Smelter—J. Moloney, 1b; Fred Matix, 2b; Gerry McIntyre, 3b; George Willis, ss; Bob Stewart, lf; Jack Sherman, cf; Tom Losque, rf; Battery—Benjamin Fitzpatrick, pitcher, and George Greenwell, catcher.

Ed Waterman was umpire of balls and strikes and Ed. Wall, bases.

Full of Excitement.

The game was full of excitement and the boys were all doing their utmost for the standing of all three teams in the league. Elks, Smelter and Mine are very close. Many spectacular plays were made and, in each case, the fans broke loose with their applause. At the end of the seventh inning, the score was one each so an extra frame was played. The Mine went to bat at the beginning of the eighth and were retired without having increased their score. The excitement was tense when the Smelter stood two men down and two men on bases. Gerry McIntyre came to bat and got a beautiful hit, a low difficult one between centre and right field. The Smelter thus scored the extra and winning run.

The fans went home satisfied having shouted themselves hoarse. Score by innings:
1 2 3 4 5 6 7 8
Mine 0 0 1 0 0 0 0 0—1
Smelter 0 0 0 0 0 1 0 1—2

Between each inning, the band gave a selection, a great improvement being noticeable since their initial public appearance. The music was appreciated as it had a tendency to soothe the nerves of all only to have the excitement renewed with greater vigor when the game went on.

Persistent advertising is absolutely necessary to success.

Sport Chat

Keen on revenge for last week's narrow defeat to say nothing of the two pre-season matches, the Elks will enter the lists in the second game of the lacrosse league's schedule tonight against the Sons of Canada at the Acropolis Hill grounds. The lodge men will again have the services of Art Easson and Lance Styles, who were out of last week's game, and are confident that they will therefore be able to produce just the little bit of superiority that will beat the Canucks and give them their first victory of the year. In that case, the two teams will have won one and lost one each and the situation will be more interesting than ever. The lacrosse crowds have been steadily growing and, given good weather tonight, the gate should be the biggest yet. The teams will line up practically the same as last week.

MANY LOST MEMORIES IN GREAT WAR; EFFORT MADE TO FIND THEM

France Will Advertise for Men Who Have Lost Themselves Owing to Memory Failure.

According to Le Matin, the great Parisian morning paper, the War Department of the French Republic proposes to get in touch with leading motion picture producers in the United States, Canada and Brazil with a view to establishing the identity of a number of poilus who have lost their memory as a result of the terrors of the war.

Men Without Memory.

"There are at present time in France nearly sixty poilus who are either suffering from a certain form of insanity or are afflicted with amnesia to such a degree that they can neither recall their names nor incidents connected with their former lives. All French newspapers have published their photographs from time to time and although some of the veterans have been identified, there are still a number of these unfortunate war victims left," the paper states.

The French War Department will ask leading moving picture concerns in Canada and the United States to flash the photos of these men on the screens in all towns and villages, in the hope that they will be recognized here.

Soldiers From Canada.

"It must not be forgotten," states LeMatin, "that hundreds of thousands of the gallant soldiers who fought under the battle flags of the Republic answered the call from Canada and the United States."

The men, who are suffering from loss of memory, were officially listed as "assumed to have been killed." In the first instance they were reported "missing."

The greatest percentage of war victims afflicted in this way came to their present mental condition through the terrors of the Battle of Verdun, when the "On ne passe pas" of the poilu barred the way to the most terrific onslaught of the German armies, and when the defenders and the attackers left an army of men on the field.

STORK CARRIES MESSAGE

MERSEBURG, Germany, July 26.—A stork returning to its nest in the village of Lieskau, near here, was observed to be carrying a small object attached to its neck. The bird was caught and the object was found to be a tiny leather bag containing the following message: "Greetings to my German home! Willi Bucha, farmer in Nova on Victoria Lake (East Africa). Born Feb. 12, 1897, in Gerdaunen, East Prussia."

HE FOOLED 'EM.

"How'd you ever get that paint on your dress, Mrs. Mungus?" "I was leaning over Sandy's fence."

"But Sandy has a sign up—'Wet Paint.'"

"Yes, I saw that; but everybody knows what a liar he is," Schenectady Union-Star.

PLAYERS WHO PROMISE TO SHINE ON COLLEGE DIAMONDS.

ROBERT PULLEYN (Columbia)

ARTHUR CONLON (Harvard)

ED CHITTENDEN (Yale)

GEORGE SULLIVAN (Yale)

Captain TOMMY MCNAMARA (Princeton)

College baseball teams are getting an early start this season. Practically all of the larger universities are sending their squads out on the field for training. Several of the colleges will have many veterans in their lineup when play is called. Yale has a larger squad of ball players trying for berths than any previous year. Penn expects one of the best baseball seasons in many years. Pitching material is plentiful, and infield and outfield prospects are exceedingly bright. Seven veterans will be in the Harvard lineup at the beginning of the season. Princeton is having a hard time getting pitchers, but Coach Bill Clark is confident that before the season starts he will at least have two good moundmen. Columbia, as usual, will have a nine that will bear watching. Several of the teams will again be seen this year, including Robert Pulley.
