SHE HAS RAISED A FAMILY OF TEN

DR. FOWLER'S

EXTRACT OF WILD STRAWBERRY

NEVER FAILED HER

Mrs. Ervin W. Stairs, East Waterville, N.B., writes:—I have raised a family of ten children and have always used Dr. Fowler's Extract of Wild Strawberry for summer complaint, and it has never failed. Four years ago, when the cholera was about, some of my neighbors called in the doctor, but could get no relief. I told them about "Dr. Fowler's", and after taking it they were soon well again. I also used it for two of my own children at the same time when they were passing blood, and a few doses soon made them well.

If you want to be on the safe side ask for Dr. Fowler's Extract of Wild Strawberry, and insist on getting what you ask for. There are many imitations on the market, so be sure and get the original "Dr. Fowler's"; price, 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.

EXPULSED BECAUSE BELIEVES IN PEACE

VIENNA, July 25. — Countess Helga Trauberg, the German pacifist who was interned by the Germans during the late war because she condemned submarine warfare; the deportation of Belgian and French women and children, and the treatment of Allied prisoners, has been expelled from Germany because she still persists in her peace propaganda.

She is at present in Vienna where she is compiling a book, deriving much of her material from the archives of Vienna. She is said to have secured war letters exchanged between the Emperor of Russia, Emperor William of Germany and the Austrian Emperor Francis Joseph.
