ECZEMA

Hands Were Raw
Would Crack and Bleed

Eczema or Salt Rheum, as it is commonly called, is one of the most agonizing of skin diseases. The intense burning, itching and smarting, especially at night or when exposed to heat, are almost unbearable and relief is gladly welcomed. The pre-eminent success which

Burdock Blood Bitters

has met with in permanently removing a disease of such severity is due to its wonderful blood cleansing and purifying properties.

Mrs. M. R. Willard, Dundas, Ont., writes:—"For about three years I had eczema, in a very bad form, on my hands. They were all raw and would crack and bleed so that I could not do my housework. I tried everything I could think of without any results. At last I got a bottle of Burdock Blood Bitters, and when I had it about all taken I could see it was helping me; by the time I had taken five bottles my hands were all well again and I have not been bothered since. I cannot praise Burdock Blood Bitters enough."

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Honors, Miss Elianne Roberge.

Introductory grade honors, Misses Aletta McKinley, Rose Moran, Ruth Gillies, Mary McCaffery and Margaret McCaffery.

Introductory school grade honors, Miss Lottie LaVoie.

PRICES OF FIR ARE CONSIDERED TOO HIGH

City Council Does Not Accept \$30 Tenders—Will Recommend Use of Other Variety

Tenders for the supply of about 50,000 feet of fir lumber for use in connection with the Section 5 street improvement work were opened by the city council last night, on motion of Ald. Dybhave, seconded by Ald. Kerr, were ordered returned to the tenders with a recommendation to the incoming council that the matter of using other materials than fir be considered. This was done in view of the high price of fir as quoted in the tenders. The city engineer stated that fir had been called for in the bylaw. Otherwise, he might have considered using hemlock. Ald. Colliart suggested the putting in of cinder paths instead of wooden sidewalks wherever possible.

The tenders were from Albert & McCaffery who quoted \$29.50 per thousand and E. H. Shockey, whose figure was \$30.

DAYLIGHT SAVING FOR TWO MONTHS OR NONE AT ALL

Voters at the January election will choose between daylight saving time for the months of August and September or no daylight saving time at all. This was decided by the council last night after the question had been somewhat fully discussed, each alderman expressing his opinion on the matter.

Ald. Kerr moved and Ald. Kelly seconded that the referendum be for the months of August and September.

Ald. Silversides, Ald. Kelly, Ald. Kerr, Ald. Montgomery and Ald. McLeod agreed that the daylight time was most needed here in September. Accordingly Ald. McLeod and Ald. Montgomery moved that the referendum be for that month only. On the vote for September alone being taken, it was lost. Ald. Dybhave, Ald. McLeod and Ald. Montgomery favoring it. Ald. Kerr, Ald. Kelly, Ald. Silversides and Ald. Colliart being against. Then the motion for August and September was put, it carried unanimously.

RETURNED SOLDIERS' INSURANCE EXPIRY DATE

All amendments to the Returned Soldiers' Insurance Act provides that insurance may not be granted on the lives of returned soldiers with or without dependents, in a serious condition of health from causes other than war service, for those without dependents, even when impairment is due to service. The amendment, however, contains the following provision:

"Provided that applicants with or without pensionable disability who are so seriously ill that they have no expectancy of life, and who have dependents who are entitled to become beneficiaries under the contract as provided under the Act, shall be insurable under the Returned Soldiers' Insurance Act, up to, and inclusive of 1st JANUARY, 1923."

Insurance may be granted in all cases where the impairment is due to service and the returned soldier has dependents.

Application may be made at any local office of the Department of Soldiers' Civil Re-establishment, or by mail to Soldiers' Insurance Division, DAB Building, Ottawa.

Applications not affected by the above will be accepted until September 1st, 1923.
