NEW BUILDING THIRD AVENUE

Permanent Block Started by Late W. B. McLaughlin to be Finished by His Sister

Thomas McClymont is in receipt of advice from Victoria that the building started on Third Avenue between Second and Third Streets by the late W. B. McLaughlin is to be proceeded with, Parfitt Bros., the Victoria contractors, having the contract for the work. The plans, which have been received, show a one-storey concrete building with pressed brick and glazed tile front. It will have 50 foot frontage and 70 foot depth and will contain three stores arranged to suit tenants. M. Parfitt, who was here a few weeks ago, will return to the city at an early date to get the work started for Mrs. Hilda Gray, of Piedmont, Cal., sister of deceased, who has now come into possession of the property.

ARRANGEMENTS BEING MADE FOR EXHIBITION NATIVE BAND CONTEST

Contract forms for the native bands which will compete at the forthcoming fall fair competitions are being sent out by the exhibition board. On suggestion of Bandmaster R. G. Rowland, conductor of Rowland's Concert Band, Vancouver, two pieces have been selected for the competition, "King Lear" overture by Edward Hazel and "Kieffer's Special March" by W. H. Kieffer. The winning band in the first will receive a diploma and each of the players, silver medals. The band winning the second will receive a silver medal. Each band will have to have 30 or more members and unless there are at least three entries there will be no competition. The sum of \$200 will be paid each competing band and for those coming more than 50 miles to the city there will be an extra \$50 for travelling expenses.

WINNIPEG HYDRO ELECTRIC PLANT IS NEARING COMPLETION

WINNIPEG, July 14.—Work on the \$130,000 conduit project of the Hydro Electric is nearing completion and the cable will be ready for transmission of current soon. E. V. Caton, chief engineer of the Hydro Electric system, stated.

The conduit is being laid from the terminal station on King Street to the Scotland Avenue Substation, a distance of more than three miles, and constitutes a large part of the hydro scheme of underground work in the city.

Excavation work has been completed already and only the finishing work and connections are to be done before the cable can be put into operation. Mr. Caton said.

ALASKAN EXPORTS ARE ON THE INCREASE TO UNITED STATES POINTS

JUNEAU, July 17.—A net gain of \$346,874 in Alaska products exported to the States for June 1922, over the same month last year is shown by the monthly commerce statement issued by John C. McBride, collector of customs. The estimated value of Alaskan products exported last month is given by Mr. McBride as being \$1,425,307, with products of the United States returned there valued at \$80,192, making the total value of all exports for last month \$1,515,485.

Only Decrease in Salmon.

Increases in virtually every product, with the exception of salmon, was shown for the month as compared with June 1921. Copper ore shipments were made totaling 6,321,973 pounds having a value of \$819,834 as against a value of \$329,514 last year. Salmon exports dropped from \$552,542 last year's shipments, to \$413,336. All other fish products exported for the month increased from \$82,711 last year to \$95,331 in June of this year. Gypsum remained stationary. Stone products, including marble and manufactures of wood showed gains.

List of Exports.

Curios	\$ 1,440
Fertilizers	2,246
Herring, Scotch cure and salt	27,745
Fresh, other than salmon	13,578

All other	200,839
Clams	17,617
Shrimps	12,540
All other fish and fish products	8,571
Gypsum	10,800
Ivory	250
Ore, matte, and regulus	819,834
Copper	2,837
Lead	25,955
Stone, including marble and manufactures of	5,220
All other articles	1,341

GIANT RATTLESNAKE KILLED IN ONTARIO

OTTAWA, July 17.—A giant rattlesnake, measuring five feet three and a half inches from the end of the snout to the tip of the tail, was killed in the vicinity of Blue Sea Lake by a young French-Canadian resident of Ottawa who had gone up the Gatineau on a fishing trip over the holiday. The young man, who did not give his name, brought his trophy back to the city and took it to a taxidermist to have it stuffed and mounted.

The rattler was seen by the young fisherman slithering making its way across a seldom frequented country road. The young man, who at first mistook the rattlesnake for a big garter snake, which are fairly common in the Ottawa district, grabbed a stick, and with a few vigorously applied and well-directed blows soon killed it. The snake when attacked did not show fight. It was only after examination of the dead viper that the angler made the somewhat startling discovery that the snake he had just despatched was a rattler.

JUNEAU'S TAXES ARE LIGHT AND ASSESSMENT REDUCED HALF MILLION

JUNEAU, July 17.—The total appraised value of local property for assessment purposes this year

Daily News Classified Ads.
2 CENTS PER WORD IN ADVANCE. No Advertisement Taken for Less than 80c

is \$3,269,320, with an estimated amount of \$130,580 to be added, according to the assessment lists compiled by H. R. Shepard, city tax assessor, and submitted to the city council. This is \$499,568 less than the 1921 appraisal and \$369,378 less than that of 1920.

On the basis of last year's tax levy, 18 mills, the gross tax collections this year will amount to \$61,200, or \$8,831.19 less than last year's taxes, and at 20 mills, \$3,628.20 less than in the taxes for 1920.

Mayor Robertson suggested the advisability of changing the present method of payment by instalments instead of a lump sum settlement as is now required by the city ordinance. In the discussion of the suggestion, all of the members present tentatively approved the plan. No action, however, was taken.

NEARLY HALF BILLION FOR STATES NAVY

Amount to be Spent This Year Almost as Large as Prior to Conference

WASHINGTON, July 17.—(By Canadian Press).—The United States navy is a long way from the pre-war appropriations, in spite of the recent naval agreement, and in spite of public pressure for economy and for going slowly in the matter of preparedness.

It is a fact that comparatively few people in the United States have a real understanding of the facts with respect to the scope of the naval appropriations bill just passed. Actual reductions in expenditures by the United States for the present fiscal year, as compared with the fiscal year which ended June 30 is almost negligible, while the expenditures provided for the present year will be nearly three times those of the pre-war period.

The remarks in the naval bill discussion of Representative Byrnes of South Carolina, a democrat, and a member of the sub-committee that framed the naval bill in the house, are illuminating. Mr. Byrnes' figures were not successfully controverted and are undoubtedly correct. He said:

TEAMS ARE SELECTED FOR FIRST LACROSSE GAME ON WEDNESDAY

Line-ups were arranged and captains were selected for the first Lacrosse League fixture next Wednesday evening at a meeting of players held on the Acropolis Field yesterday.

U. E. LaCasse will captain the Sons of Canada and Lance Styles the Elks. The line-ups will be as follows:

Sons of Canada—C. Sunberg, A. Saint, D. Brown, G. Shaw, B. Crossett, U. E. LaCasse, E. Mackintosh, H. Menzies, C. Blythe, W. Gray, H. Pringle, D. Graham, H. B. Scott and W. Blythe.

Elks—H. Lipsett, L. Styles, J. D. McAulay, G. Mansell, D. Wigglesworth, A. A. Kasson, J. Mitchell, B. Oliver, M. Gonzales, M. McLaughlin, F. Gihuly, W. Sherman and S. W. Taylor.

There was also a good turnout for the practice held yesterday.

CLUBS—NOTICE.

All clubs are hereby notified they must forward a statement of their affairs to the City Clerk by the 15th day of August, 1922, and also take out a City license in order to remain open. Any club operating without a license, or without a City license after July 31, 1922, will be proceeded against under the City By-laws.

Full particulars from City Clerk.
