"Build B. C. Payrolls"

Vacuum's Big Point

The substance that makes milk and gives energy and health to everyone is the vitamins. Nothing need be done to improve them. They are made perfect. Vacuum packing simply retains more of them than other packing and in this way improves Pacific Milk. You can tell the difference by the finer flavor. Patrons in their letters, confirm this.

Support Farmers of Central B. C.

The farmers and gardeners of Central British Columbia are making an effort to supply the Prince Rupert market with vegetables, fruit, potatoes, poultry and eggs and other products of the district.

Prince Rupert people are asked to encourage this movement by asking for Central British Columbia products whenever practicable. Co-operation in this matter encourages merchants who buy from farmers and if the farmers are prosperous it will be an encouragement for others to take up land and thus add to the buying power of the whole northern and central part of the province.

Householders can help by keeping this in mind

and asking merchants for Central B. C. products whenever possible.
