Violins, Guitars, Mandolins, Gramaphones and Records at Salvage Prices

All Music and Musical Instruments Must be Sold Regardless of Cost

Prince Rupert Music Store,
Opposite Post Office

DEVELOPMENT NEAR TERRACE

Mining Properties Being Developed and Oil Drills to Operate.

TERRACE, Feb. 3.—Much optimism still prevails locally in the prospects for the spring drilling operations for oil in the Hazelton Valley.

As soon as the weather will permit there will be three or four standard drills on the ground and drilling operations will commence in earnest.

Another Ross Mill.
J. M. Hoar of Seattle, who funded the Bear and Wolf gold and silver groups on Maroon Mountain, Kitsumkalum Lake, is taking in two additional Ross mills for operations on his claims early in the spring. He already has one Ross mill operating on this property but its capacity is not sufficient to take care of the large body of ore now exposed.

Up Copper River.
The Gabriel property on the headwaters of the Kaitnakawa River in the Copper River district, has been developed by D. Buchanan to some extent during the winter months. Last summer some six miles of road was built to the claim and cabins were erected for winter operations capable of housing half a dozen men. Three men have been employed on the work of development. The Gabriel vein of silver and gold now exposes measures 10 feet wide and is being cross cut at the present time. The ore is of a similar nature to that of the Dolly Varden mine, and experts have given the opinion that it is of excellent quality.

New Sub-division.
It is the intention of A. McCormick of Terrace, who owns considerable property on the shores of Kitsumkalum Lake, to put on a sub-division of acre home sites during the coming season. This location will make an ideal summer resort if the roadway can be got in good shape, in the opinion of Mr. McCormick.

At the present time it is not possible to haul a thousand pounds of freight with a team up to the lake. If the roadway can be fixed to permit of motor cars being driven right up to the lake it is expected it will be the means of developing this part of the country.

R. Seymour Wright, formerly of this city but now of Uxk, arrived from upriver on last evening's train.

NO FURTHER SIGN OF MISSING MAN LAPLEY AT TERRACE

TERRACE, Feb. 3.—The search by Constable Mancour and Fred Nash on Sunday last, for Joe Lapley, an old timer around Terrace who has been missing for the past week, has only resulted in the finding of his pack on the trail about four miles from Terrace.

Joe lived in a cabin about eight miles from Terrace on the south side of the river and opposite Remo. He was a man of nearly seventy years of age and suffered with heart trouble. It

is the opinion of the doctor that he became faint while walking over the heavy snow and succumbed in a snow drift. His footprints were plainly discernible up to the spot where the pack was found but all trace of his steps were lost through the snow drifting to some depth. The pack contained a roast of meat and some tea and sugar, and this was placed in Joe's cabin, by Constable Mancour and locked up.

With the melting of the snow in the spring doubtless the remains will be discovered.

POPULAR COUPLE WERE WEDDED LAST EVENING

Miss Helen Carter Becomes Bride of Walter Hume in Anglican Church.

In St. Andrew's Church last evening at 8:30 o'clock the marriage took place of Miss Helen Muriel Carter, youngest daughter of Mr. and Mrs. Franklin B. Carter, of St. John, New Brunswick, and Walter Hume, only son of Mr. and Mrs. Robert Hume, of Kelowna, B. C. Rev. Canon G. A. Rix officiated at the ceremony which was a very pretty one, the church being decorated with flowers and evergreens.

The bride was given away by Lieut. Co. S. P. McMordie, D. S. O., and was attended by her sister, Miss Mary Carter.

The groom was supported by W. W. McGill, J. Austin, the organist, played the Wedding March and during the signing of the register Miss Emelie Davies sang "O Perfect Love."

After the wedding ceremony, the bridal party partook of a sumptuous wedding supper at the home of Col. and Mrs. McMordie. There were a few of the intimate friends of the contracting parties in attendance.

The toast to the bride and groom was proposed by Rev. Canon Rix and Col. McMordie, the groom responding suitably.

Mr. and Mrs. Hume left on the midnight boat to spend their honeymoon in the south. On their return they will take up their residence in Westview.

Both bride and groom are well known and highly popular in the city. Mrs. Hume was formerly on the local staff of the Royal Bank of Canada and Mr. Hume is a member of the Canadian National Railway freight department.

NO FURTHER SIGN OF MISSING MAN LAPLEY AT TERRACE

TERRACE, Feb. 3.—The search by Constable Mancour and Fred Nash on Sunday last, for Joe Lapley, an old timer around Terrace who has been missing for the past week, has only resulted in the finding of his pack on the trail about four miles from Terrace.

Joe lived in a cabin about eight miles from Terrace on the south side of the river and opposite Remo. He was a man of nearly seventy years of age and suffered with heart trouble. It

is thought that he became faint while walking over the heavy snow and succumbed in a snow drift. His footprints were plainly discernible up to the spot where the pack was found but all trace of his steps were lost through the snow drifting to some depth. The pack contained a roast of meat and some tea and sugar, and this was placed in Joe's cabin, by Constable Mancour and locked up.

MEETING ADJOURNED

Northern Interior Co-Op. to Elect Officers on March 7.

The annual general meeting of the Northern Interior Co-Operative Association was held at Telkwa on January 31. Representatives of the association attended from Wistaria, Ootsa, Houston, Telkwa, Smithers, Terrace and Prince Rupert. The meeting was adjourned until March 7 when the election of officers will take place and the annual policy of the organization will be outlined.

Night Coughs

Terribly wearing on the system is the cough that comes at night and prevents sleep.

The constant coughing keeps the lungs and bronchial tubes in such an irritated and inflamed condition that they get no chance to heal.

You will find in

DR. WOOD'S NORWAY PINE SYRUP

a remedy without an equal for soothing the lungs, loosening the phlegm, strengthening the breathing organs and fortifying them against pulmonary disease.

Mrs. John McKinney, Lower Montague, P. E. I., writes: "About three years ago I caught a very bad cold accompanied by a sore throat and hoarseness, and was so hoarse you could hardly hear me speak. I could get no rest at night with the terrible annoying, hacking cough. I tried several remedies, but they did me no good. Finally I saw Dr. Wood's Norway Pine Syrup advertised; got a bottle, and at once it gave me relief, and after using four my cough had all gone. Now I always keep Dr. Wood's in the house, and shall recommend your remedy to others."

Price, 35c and 60c a bottle at all dealers. Put up only by The T. McBurney Co., Limited, Toronto, Ont.

OPTIMISM OF ALL LIBERALS

Fred Stork and Others Addressed the Annual Meeting Last Night.

CONFIDENCE EXPRESSED

Fred Stork and several other Liberals delivered short addresses last night at the Liberal annual meeting in the Pattullo Block. All were optimistic for the future and determined to do their part to bring about improved conditions. Resolutions of confidence in the political leaders, Mackenzie King and John Oliver, were passed as well as thanks to the retiring officers of the association.

Fred Stork, M.P., thanked the association for the wholehearted support it had given in the recent campaign. It had been a great year for the Liberal party. The north country was coming into its own. With Hon. T. D. Pattullo the shining light in the Oliver administration and Hon. Alex Manson the new attorney-general they were well represented. Vancouver had committed political suicide.

Tremendous Handicap.

Mr. Stork said his was not a personal victory. The triumph was one of Liberal principles. They could congratulate themselves on winning under such tremendous handicaps. They had for an opponent a man with a military record, who was staged as an independent yet officially recognized as the representative of the Meighen government. There never had been such a dishonest campaign as the one they had just gone through. However, they were good winners as well as good losers. He had taken his defeat on a former occasion without squealing, but this could not be said of their Tory friends at the present time.

The member said it was gratifying to know they had been able to come through with a clean sheet.

Referring to the future prospects, Mr. Stork said the city still justified its existence. It was here in spite of the efforts of Mackenzie & Mann and their cohorts, who had tried to put it out of business. He believed they would get good treatment from Mackenzie King. Now that the trade routes had been established, it would be no small job getting another established here. Coal bunkers would receive his first attention and the restoration of the main line privileges, changing this from a spur line. He felt sure he would have the assistance of the Ottawa government in re-establishing the G. T. P.

Fisheries District.

Mr. Stork also promised his efforts toward making this a separate fisheries district. He would do what he could for the cause. It was a great gratification to him that he had been supported by men who had never wavered in the faith, and they had been rewarded by the carrying of the position. They had a great mission to fulfil. He hoped the Liberal party would give a good account of its stewardship and would be worthy of the confidence of the people.

Dr. W. T. Kerwin spoke of the good fight which had ended so successfully. It was fortunate that there were Liberal governments both at Ottawa and Victoria and also that Mr. Manson had been taken into the cabinet. He would like to see Canada Way.

In the fall of 1912 he became night watchman at the provincial government wharf and filled that position until just before his last illness. He was a Catholic.

Besides the widow, two daughters, Mrs. Caldwell, of Winthrop, Spokane, who arrived in the city on Monday, Mrs. Charles Prusser, of St. Louis, who left but three weeks ago after having visited her parents for two months, survive. There were also three sons in the family but they predeceased their father.

Mr. Kerwin said that after an election we were prone to expect too much. The growth would be a natural one but it would be aided by Ottawa. Yet there was much we must do for ourselves which nobody could do but ourselves.

Other Speakers.

John Dybahn spoke of the fact that everyone was looking forward to better conditions. He congratulated the new attorney-general on having won the cabinet position from merit. The outlook

ANY SKIN TROUBLE IN YOUR HOME?

Zam-Buk is sacred like magic in drawing out soreness and inflammation. Zam-Buk's healing proved quite permanent.

2.—Burnt in Explosion. Mr. E. McIntosh, 45, Humbert St., Toronto, says: "While taking flashlight photos, was badly burnt in an explosion. The application of Zam-Buk stopped the burning entirely and healed the sore perfectly."

3.—Child's Scald Disease. Mr. W. D. Love, 25, Rand St., Central Falls, U.S.A., writes: "My little girl's skin disease on the face and scalp did not respond to any treatment. The application of Zam-Buk stopped the burning irritation and gave every evidence of its unique healing powers. Continued treatment with Zam-Buk soon rid the child of every trace of disease."

4.—The Peril of Blood-Poison. Mrs. Frank M. Jackson, 37, 176, 1/2, St. James Street, New York City, says: "A few years ago my nose was terribly blistered. Although I had doctors' treatment I could not get the sore to heal permanently. Every winter it broke out again as badly as ever. When I got

Zam-Buk, it quickly subsided and the sore perfectly."

Prince Rupert, B. C.

OLD PIONEER PASSES AWAY

Patrick Carey, Aged 82, Died at General Hospital Last Night From Heart Trouble.

In the death of Patrick Carey, at the General Hospital at 9:45 last night, there passed away one of Prince Rupert's most picturesque pioneer citizens. The late Mr. Carey was known to practically all in the city and certainly to all of the early residents for he came here some 15 or 16 years ago and had resided here continuously since that time. The news of his demise comes as a shock to the many friends of the deceased and his widow for whom much sympathy will be felt.

Mr. Carey was a native of Ireland and was 82 years of age. He came to the Northwest Territories some sixty years ago and was there at the time of the Riel Rebellion. He was very familiar with the latter incident and his stories of the early days in the vicinity of Winnipeg have been listened to with interest by many. Later Mr. Carey came to the Pacific Coast and resided at Port Moody and Vancouver before the Canadian Pacific Railway was built through. At one time he was the owner of property which now forms part of the centre of the city of Vancouver.

Prince Rupert Pioneer. Again he pioneered in Prince Rupert and for several years conducted, with Mrs. Carey, a boarding house at Manson Way. In the fall of 1912 he became night watchman at the provincial government wharf and filled that position until just before his last illness. He was a Catholic.

Besides the widow, two daughters, Mrs. Caldwell, of Winthrop, Spokane, who arrived in the city on Monday, Mrs. Charles Prusser, of St. Louis, who left but three weeks ago after having visited her parents for two months, survive. There were also three sons in the family but they predeceased their father.

Mr. Carey was taken to the General Hospital about a fortnight ago suffering from heart disease and his death was not unexpected. Funeral arrangements are in the hands of the B. G. Undertakers.

A. E. Kincaid, the Revelstoke insurance man and an official of the Grand Lodge of the Knights of Pythias, arrived in the city last evening and is registered at the Hotel Prince Rupert.

FAULTY MATERIALS DISCOLOR THE LINEN

Canadian Steam Laundry Co.-gratulated Upon Knowledge of Laundry Supplies.

Discolored linen is a source of much annoyance to many people who send their washing out to be laundered.

This discoloration is the result of faulty materials or methods. Happily, our patrons do not complain of this serious defect in laundry service.

The following reply to our inquiry regarding this condition may indicate the reason our patrons have no complaints on this score.

"Dear Sir:

We are referring your letter of January 12th direct to Dr. Shupp, Mellon Institute, Pittsburgh, and you will hear from him.

Your letter shows that you thoroughly appreciate the importance of a knowledge of the supplies used in laundering.

You are to be congratulated on this fact, because there is no single item connected with the laundering process that has any greater importance than this. In fact, there are many who think that it is the most important subject for the laundrywoman to understand.

Yours sincerely,

LAUNDRIES' NATIONAL ASSOCIATION.

Your linen is worthy of the best treatment. MAY WE SERVE YOU?
