ATTORNEY GENERAL IS GIVEN OVATION ON HIS RETURN HOME

Hearty Reception to Hon. A. M. Manson on Arriving Here

The government dock was crowded with citizens anxious to do honor to Hon. Alex. Manson, attorney-general and member for Omineca, as the Princess Mary tied up at the dock here yesterday. As soon as she came alongside, the band played "See the Conquering Hero Comes," and when the gangplank was thrown ashore patriotic and other airs enlivened the proceedings. Men and women crowded forward to show their appreciation of the man who has brought honor to the community and to the whole of the North.

The mayor, followed by Fred Stork, M.P., Aldermen Silversides, Kelly and Collart and a number of citizens, went aboard and greeted Mr. Manson. The mayor spoke of the honor which had been done the north by the appointment of the member for Omineca. He had always been glad to welcome Mr. Manson on his return from Victoria but on this occasion he was doubly glad when he came as a minister of the crown. He assured Mr. Manson that his townspeople as well as the people of his constituency felt the honor that had been done them.

Mr. Manson, who was taken wholly by surprise, said it was only after mature consideration he had decided to accept the position. He took it as a great opportunity to render a service to the province. He now had a splendid chance to do things. If he was able after three or four years to be met with a similar welcome he would feel that public life was not so hard as it was generally said to be.

In closing Mr. Manson emphasized the need to keep public life clean.

"I thank you for the reception you have given me," he said, "and let me tell you again I am still your servant as I have been during the past few years. I am extremely gratified to see that this is not a political demonstration but that my friends of all shades of political opinion are here."

The band then started to play and the crowd escorted Mr. Manson to his office where several tunes were played.

F. G. Dawson accompanied Mr. Manson north.

ANGLICANS OPTIMISTIC FOR FUTURE

Annual Vestry Elects Officers and Makes Plans for Year.

It was with a most optimistic spirit that the annual vestry of the Church of England last night elected its officers, passed its accounts and made aggressive plans for the future, Canon Rix presiding. The reports all show progress. The officers for the coming year are as follows:

Gleigyman's warden—J. H. McMullin.

People's warden—A. E. Bazzett-Jones.

Sec.-Treasurer—E. Whitehead. Auditor—W. T. Willott.

Lay delegates to the synod—W. C. Orchard and Mrs. Healy.

Sidesmen, the church officers and E. Day, G. A. Woodland, C. W. Horner, Sheriff Shirley, A. W. Healy, Sidney Bazzett-Jones and A. G. Rix.

The report showed that the average church attendance had risen about twelve per cent over the previous year and the financial statement showed a balance on hand of \$453.27.

Improvements.

During the year the church had been reseated and stained glass windows placed in the chancel and the church thus greatly improved in appearance. The windows had been put in by the women's auxiliary.

Votes of thanks were passed to the choir and especially to the organist, J. A. Austin, and the leader, J. S. Davie, who freely gave their very efficient services; to the Sunday School superintendent, A. W. Healy and his staff of teachers and to the most energetic women's auxiliary with its efficient president, Mrs. McGoskie, its secretary, Mrs. P. Groves, and its treasurer, Mrs. Philipott.

URGE MAYOR GO OTTAWA

City Council Decides Stand Expenses of One Member Board of Trade Delegation.

The city council has named Mayor Rochester as the civic delegate to go to Ottawa with the Board of Trade delegation at an early date and has decided to stand the expenses of one delegate. This was the answer which was received by D. G. Stewart and S. E. Parker, members of the Board of Trade, who appeared before the council asking that the mayor be sent as a delegate and that a grant be made towards the costs of the delegation. In case the mayor is unable to go he is to name a substitute. A resolution to this effect was moved by Ald. Dybahn, seconded by Ald. Collart and carried unanimously.

S. E. Parker, the first speaker of the delegation, said that now was the time to put the needs of the city and district before the new Dominion Government while the ministers were familiarizing themselves with their duties and before they had formulated their policies and brought down estimates. As such a delegation would be of benefit to the city as a whole it was felt that the council should co-operate in paying the expenses. Among those who would be at Ottawa at the same time as the delegation would be Fred Stork, M.P., and Hon. T. P. Pattullo, local member of the Legislature and minister of lands. The presence of the mayor would undoubtedly lend strength to the delegation. Mr. Stewart also spoke supporting Mr. Parker.

Is Reluctant.

Mayor Rochester said that the court of revision would be in session at the time the delegation would be away and it was a question to him whether or not he might be more needed in the city at that time than at Ottawa. No doubt the time was opportune for the delegation to go, but he would like to be excused. It was unfortunate that the local member was not already there to pave the way for the delegation.

Ald. Kelly and Ald. Perry asked the mayor to reconsider the matter and go to Ottawa if at all possible. The latter thought that his affairs here at the court of revision could be taken care of in his absence.
