**FIFTEEN BOILS
ON NECK
AT ONE TIME**

Anyone who has suffered from boils can sympathize with poor old Job.

There was no Burdock Blood Bitters in those days, so Job had to suffer in silence. Nowadays no one need endure the misery of boils.

Boils are simply evidences of the bad blood within coming to the surface and just when you get rid of one, another seems ready to take its place and prolong your misery.

All the poulticing and lancing you may do will not stop more coming.

What you have to do is take **BURDOCK BLOOD BITTERS** and the blood will be cleansed of all its impurities, and then every boil will disappear.

Mr. Roy McSwain, High Bank, B. C., writes: "I was troubled with boils for some time, and had as many as fifteen on my neck at once. After taking one bottle of Burdock Blood Bitters they commenced to get better, and after I had taken two bottles I was relieved of them and felt much better. I think B. B. B. is a grand blood medicine, and can recommend it highly."

For the past 45 years B. B. B. has been manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

**Headache**

Recurring headaches usually come from an exhaustion of the nervous system, and they do not disappear until the vigor of the nerve cells is restored by such up-building treatment as Dr. Chase's Nerve Food.

Temporary relief by use of powders is often obtained at an enormous expense to the nervous system and the general health.

Get the nerves right and the headaches will not return.

Mrs. W. J. Pearce, Nunn St.,
Cobourg, Ont., writes:

"My system became run-down and I suffered greatly with pain in my head. This was so severe that I would have to bind a cloth tightly about my head so that I could get my work done. A friend advised the use of Dr. Chase's Nerve Food, and after taking the first box I found quite an improvement in my condition. I continued using them until I had taken about seven boxes, and they strengthened and built up my system splendidly, completely relieving the pain in my head."

Dr. Chase's Nerve Food, 50c a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

STEWART

A New York group has purchased the one-third interest in the B. C. Silver Mines owned by Grant Mahood and O. B. Bush, the consideration being \$100,000. This group adjoins the Premier Mine. The remaining two-thirds is controlled by the Seluqui Gold Fields, Limited, of South Africa, which owns one-third and has an option on the remaining third.

The contract for the hauling of ore from the lower terminal of the Silverado tram has been let to the Hyder Transfer Co. The tram was tried out for the first time last week and was found satisfactory. Regular shipments will commence at once.
