DENTISTS NEED RADIOGRAPH**Accurate Knowledge of Condition of Teeth Given by X-Rays**

Enables Dentist to Give Proper Service.

Would a contractor build a house on rotten piling? Its foundation that counts. It is far more important that your dentist should not put work in your mouth that is attached to bad or decayed teeth. Often a tooth may appear perfect on casual examination but its foundation or roots are like the piling, rotten.

How is your dentist to know? I have in my office a thoroughly up to date X-Ray machine which is at your service. Your dentist will be glad to receive radiographs of your teeth as he will then be able to give you better and more modern service and save you probable trouble in the future.

Blind dentistry is not modern dentistry and is a menace to you.

In the Letter Box**FREEMAN'S FAREWELL.**

Editor Daily News:

And it came to pass in the days of the great taxation which came after Armageddon there arose a truth teller who spoke in kindly terms, chiding those who occupied high places in church and state.

New in those days there was one editor who ran a powerful free trade organ who was troubled sorely by this truth-teller, even as was Job in the days of old before Job took up the job of printing, causing ye editor to have sore and sundry dreams and nightmares.

Now there arose a soothsayer from amongst the lowly, who who spake in terms of wisdom, "Be not troubled, Oh, ye of little faith and smaller hope, for charity decrees that dreams by contraries go."

Thanking ye editor who is withal a good fellow I shall not again add to his burden.

HOOMES K. FREEMAN.

PIPE DREAMS.

Editor Daily News:

H. K. Freeman's letters was a peach. Some of us everyday folks has wondered why the editor considered it necessary to publish the pipe dreams which issued from Freeman's pen. I have even heard of alterations among people in regard to those letters, some claiming that the captain had indulged in a pipeful of hop before composing them, while others maintained that oakum is the captain's favorite smoke.

WATERFRONT WHIFFS.

(Continued from Page 5)

excellent trip is reported and the morale of the crew left nothing to be desired. The catch was sold to the Sinclair Fisheries at 7.90c and 3c.

The Star, Captain Martin, who disposed of 13,000 pounds of halibut to the Atlin Fisheries on his arrival in port, reported satisfaction with his trip.

The following boats have marketed fish during the week: Alpha, Annie May, Plop, Scrub, Mayflower, Mab, D. F. C., Reliance No. 1, Rovana, Vesta, Livingstone, Margalide, Ingrid H. Dolphin, Lauen, Sampson, Gaygeon, Venus, Volunteer, Star, Emblem, Tatoosh, Atli and Kaien.

The following boats are at present in port: Nancy, Narbethong, Dixie Rupert, Progress, Timber Wolf, Plop, Selma, Wigwam, Glen, Sleanor Mac, Bob, Annie May, Colonia, Vivian, Empire, Fisher and Flossie.

The Narbethong, Capt. Freeman, is under the eye of the secret service again. Cap is resurrecting the habit of sneaking out of port without saying anything to anybody about it. During the week the old reliable has been out of port on some mystery trip returning early on Thursday morning. Cap was shadowed up town as he left the boat in his best hat and rumor had it that there was to be dirty work at the cross roads. When Cap wears his lid there is usually something doing out of the ordinary. However, all his visits were hard to keep track of as he was travelling full speed ahead and changed his course continually.

Nervous breakdown Couldn't Sleep Nights.

To those on the verge of a nervous breakdown the following symptoms present themselves: nervous headaches, a feeling of depression, fitful, disturbed, restless and unrefreshing sleep, often troubled with frightful dreams, avoidance of crowded places, dread of being alone, horror of society, etc.

When the nerves become affected in this way the heart generally becomes affected, too, and on the first signs of any weakness of the heart or nerves, flagging energy or physical breakdown do not wait until your case becomes hopeless, but get a remedy that will at once quieten the nerves, strengthen the heart and build up the entire system.

This you will find in

HEART AND NERVE PILLS

Mrs. M. Damand, Young's Cove Road, N. B., writes:—"I was bothered very much with my heart and nerves; had nervous headaches and dizziness, could not sleep at nights, and my appetite was all gone. I was on a nervous breakdown when a neighbor told me to try Milburn's Heart and Nerve Pills. This I did, and before I had the second box used I was better and would advise anyone who has nerve trouble to take them."

Price, 50c a box, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
