PROGRAM FOR CELEBRATION

Announcement by Sons of Canada—Many Big Athletic Features.

Children's events and senior races in the morning and four big games in the afternoon and evening will be the features of the Dominion Day celebration, the program for which has just been arranged and made public by the Sons of Canada, under whose auspices the celebration of Canada's birthday is to be held. At 9:30 in the morning, headed by the band of the 102nd Northern R.C. Battalion, there will be a monster children's parade from the provincial government buildings to the Aeropolis Grounds. The opener at the grounds will be a Junior Baseball game between the White Sox and the Tiny Tims followed by children's sports and senior races, including half mile relay and 100 yard dash. Candy will be distributed free to the kiddies in the morning and there will be no admission for the grounds.

Afternoon Games.

At 1 o'clock in the afternoon, there will be the Dominion Day final baseball game between the Sons of Canada and the winners of the Elks-Knights of Columbus series for the special prize. The final for the Dominion Day football cup between the Sons of Canada and the Callies will open at 3:30 and will complete the afternoon's bill.

Commencing at 7 o'clock in the evening, the first exhibition of Canada's national game, lacrosse, in Prince Rupert will be seen and at 8 o'clock, the Grotto and Sons of Canada will play an intermediate baseball game. A dance at the rink on the evening preceding Dominion Day is also really a part of the Dominion Day program. It is to be given under the auspices of the Sons of Canada and the Adair Gars Chapter, Daughters of the Empire.

SENSATIONAL BALL GAME

Sons of Canada Made Wonderful Comeback When Elks Blew Up.

One of the most sensational baseball games ever played on the local diamond and by far the best and most exciting of this season was the Senior League fixture last night between the Sons of Canada and the Elks which resulted in a 5 to 4 victory for the former. Howard Frizzell pitched for the Elks for eight innings and part of the ninth when he began to show weakness and, after allowing two hits, and a run was replaced by Fred Hale. When the smoke of the battle cleared after the second half of the ninth the Sons of Canada, who had been blanked for eight frames, had brought in five runs, just, sufficient to win the game which, up to the very end, had looked like victory for the Elks. The fans were thus treated to an anti-climax such as they do not often have the thrill of feeling.

Though opinions may differ and there may have been some reason for pulling their young hurler in the ninth, the general consensus of opinion is that in so doing the Elks' management lost the game. The outcome goes to prove it.

Best of Season.

In general quality, last night's game was the best of the season. Pitching, hitting and fielding was

SORES SPREAD All Over FACES AND BODIES.

Mrs. Howard Houlette, Waslatenau, Sask., writes:—"I wish to tell you of the benefit we have received by using your valuable medicine, Burdock Blood Bitters. My children started to break out on their faces with small white pimples which kept getting larger each day. Pus would form under the scales and they would come off, and each time the sores would be larger; some were as large as a twenty-five cent piece, and would spread all over their bodies. I was nearly in despair and sent to the village for a bottle of good blood medicine. The druggist sent me a bottle of Burdock Blood Bitters, which I commenced giving them at once.

In about ten days I saw an improvement and they grew steadily better each day, and in one month the sores had all disappeared."

All blood and skin diseases are caused by bad blood, and to get it pure and keep it pure you must remove every trace of the impure and morbid matter from the system by a blood cleansing medicine such as

better than 30 far has been exhibited as the holding down of the scene would indicate. For eight innings Frizzell pitched good ball and, although he allowed the Sons to reach bases, the game was always well in hand. When he was removed in the ninth he had one out and two on bases and one run. Fred Hale came in, allowed a hit to the rock pile, errors were made and the Sons emerged from the melee with five runs and victory to their credit. Eddie pitched well for the Sons through-out and allowed but six hits. The Sons made a total of seven hits. The Elks scored single runs in the first and second innings and two in the sixth with the Sons, as recorded, made a hit in the ninth.

E. A. Donohoe was umpire of balls and strikes, S. J. Evans, bases, and the teams lined up as follows:

Sport Chat

Golf is a queer game. At one time it was supposed to attract only the Scotch. It was then the simple game of the proverbial, penurious Scotchman but, oh, how it has changed! Especially since the ladies by their long drives and low scores are demanding consideration. And with the ladies come the powder puff, the vanity mirror

and everything that tends to make the landscape beautiful and picturesque. Why not? Why shouldn't a person learn to be an artist as well as a golf player, especially a woman golfer—a young woman particularly—and unattached—come in from a round of golf with her face blazing red and looking as if she had been through the place to which the men golfers consign many of their bad shots?

It is a secret, so they say, why the know-no-ones can play 18 holes in the hot sun and still have that beautiful brown tan that looks so becoming—and not burn or blister—or anything so common as that. Cold-cream—that's the magic. If a man used it he would probably look like a greased pig. But the ladies—they may apply it with the deftness and daintiness of an artist and it will not show. It will protect their complexions against the blazing sun.

One rude man was no gentleman. He was recently bragging around the clubhouse of a famous country club that his wife, though weighing nearly 200, could keep cooler in hot weather than any man he knew. Finally he blurted out that she took a cold cream bath every night and then he went on to explain that some well known "skin-em-alive" specialist had told her that cold cream opened the pores of the skin so that the whole body could breathe. He got awfully mad when some wag said "Just like a 'Porosknit' eh?" But then there may be something to this cold cream stuff. For how can a man keep his eye on the ball if his face is burning and smarting and if he is so hot and uncomfortable that his glasses are all misty, and who is thinking thoughts that would set fire to an asbestos curtain.
