Milburn's Laxa-Liver Pills The Great Liver Regulators

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

Therefore when the liver is inactive and failing to secrete bile in sufficient quantity constipation and other liver troubles soon follow.

Mrs. H. D. Hutchinson, Peterborough, Ont., writes:—I have been using your Milburn's Laxa-Liver Pills and they have done me a lot of good.

My liver bothered me a great deal; I was drowsy and tired all the time and didn't feel like doing anything, let alone my housework. I tried everything, but your Pills seemed to do the work far better than anything I had ever taken.

DIFFICULTY IN FILLING POSITION

T. C. Duncan and F. J. Whittaker are of Opinion Combining Jobs Not Practicable

It may be difficult for the city council to find a man who will take charge of the engineering and electrical departments together. According to F. J. Whittaker, city engineer, and T. C. Duncan, utilities superintendent, they are members of different associations which will not allow one man to hold two positions. As far as it is known there are only two men in this province capable of undertaking the work, and both of these are in very remunerative positions and are not likely to come here.

IMPORTATION MUST CEASE.

(continued from page two)

entirely unsatisfactory. I cannot urge too strongly the necessity of having the legislation that I have asked for by the federal authorities. Given this legislation conditions will very materially improve. I do not say for one moment that they will be perfect. You will never have the complete elimination of illicit traffic in liquor, but you will have as a result of this legislation a very marked improvement in conditions. You will have a burden taken off the shoulders of the government of this province. You will have an eye-sore removed from our midst and this removal will no longer be the seal of an illicit traffic which it cannot justify, not only within its own boundaries, but with the friendly countries round about us who in their wisdom have passed prohibitory laws. The matter is not a party one. Liberals, Conservatives, and Independents throughout the province desire clean conditions and members of this legislature have an opportunity by unanimously supporting this resolution to make it clear to members at Ottawa of the House of Commons and of the Senate that they are sincere and earnest in their desire for this legislation.
