VARIETY is the spice of life

We find the same demand for variety even in Apples.

No matter how good or how popular certain Apples are, in their respective seasons, we find a certain percentage of the public who want some other kind. Possibly they want a different colored apple or a different taste.

However it is not for us to decide.

At any rate we have found an apple of a different color and also of a different taste. Try a box of

Grimes Golden Apples

See this line in our store and taste it, we know you will agree that it is a winner. The price is very reasonable.
