HEART PALPITATED and Was Short of Breath

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble. Many people may be unaware of having anything wrong with their heart till some little excitement, over-work or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.

To all such sufferers

Milburn's Heart and Nerve Pills

Will give prompt and permanent relief. Mrs. Alice Bishop, 15 Hawthorne Ave., Hamilton, Ont., writes: "I take pleasure in recommending Milburn's Heart and Nerve Pills to all persons troubled as I had been."

I suffered from palpitation of the heart and shortness of breath, my heart would skip beats, and in the night, at times, I would have to sit up to get my breath. I could not go up stairs without my heart fluttering, and my nerves were all unstrung, but since using your famous pills I have felt like a different person."

GLORIA SWANSON HAS ENIGMATIC ROLE IN HER LATEST PICTURE

The large audiences at the Westholme Theatre last night learned in a most forceful manner just what constitutes the solution to that most enigmatic phrase, "Her Husband's Trade-mark," this being the title of Gloria Swanson's latest Paramount picture.

The trademark in this case, is a gorgeously-dressed wife. The husband is not wealthy, but hopes to attain wealth by making a show of wealth. However, a mutual friend of both husband and wife, returns after gaining wealth and greatness, falls in love with the wife, and the husband, to promote selfish financial ends, rather encourages the romance. This situation, culminates in a very powerful climax in Mexico, where, after a thrilling fight with bandits, the husband is killed and the two lovers find the triumph of their righteous unselfish love.

Stuart Holmes plays the husband with all his old-time villainous, suave finesse. Richard Wayne is leading man in the role of the friend and the other characterizations are enacted by Lucien Littlefield, Clarence Burton, Charles Ogle and Edythe Chapman.

Jewellery the Gift of Gifts

IT'S SO. A gift ought to be something more than a mere spending so much money. Good Jewellery is a keepsake for after years. Nothing else lasts so long for the money spent. Diamonds bought years ago are worth double now. Gold is always the same. What else can you buy and get anything back for it in 10 years?
